

# Collins Bay Yacht Club

Spent a pleasant Thursday evening on the water. Anyone interested in joining as a committee boat for one of the races, call Debbie Williamson 289-2117.

## Collins Bay Yacht Club

The executive is looking for members to serve on the social committee to help plan some special events such as the Pigeon Island barbecue, Awards Banquet and perhaps some winter activities as we may all stay in town and will sail when it is right - warm sailing and the new boat we are going to buy. Call Louise Williamson at 289-2117 if you would be willing to help me.

Many thanks to the members who came to the Jan 7, 8 and 9 to give the clubhouse a new Cape May. Dennis & Louise Williamson

# RACING SCENE

## EVENT RACES

June 12 Amherst Island  
July 24 Simcoe Island  
Sept. 19 Pigeon Island

Our first long distance race (23 miles) was held on 12th June. Ten boats raced around Amherst Island in varying wind conditions. Paul Kruger with the Trimaran Desiree was the winner on this occasion. CONGRATULATIONS Paul, it is difficult to win with a handicap like yours, particularly when you are so far ahead of the fleet that there is nobody else to race against, or to show you the right course.

Our next long distance race will be around Simcoe Island on 24th July. Once again, please join in. If you would like some information - Please ask.

## THURSDAY NIGHT RACING

Spring Series - May 27, June 3, 10, 17, 24

Summer Series - July 8, 15, 22, 29

August 5, 12

Fall Series - August 19, 26

September 2, 9, 16, 23

A trophy will be presented to the winner of each series.

Thursday evening races start again on 8th July. This will be the first race of the six race summer series. I hope to see a large number of CBYC members participating. The racing can be serious or fun depending upon your own personal approach. Either way you can learn a lot about your boat and improve your own skills at the same time. After all, any two skippers who are within sight of each other on a lake are usually, unobtrusively, racing.

The course for the evening is usually posted by 5:15 at the clubhouse.

Start time is 6:00 p.m., usually at the mouth of Collins Bay.

Our Spring Series of races was completed on 24th June. Positions after five races were:

1st R. KENNEDY - O'Day 25 - 8 $\frac{1}{2}$  pts.

2nd J. GEORGE - Niagara 26 - 9 $\frac{1}{2}$  pts.

3rd M&P FRASER - Tanzer 22 - 9 $\frac{1}{4}$  pts.

We had a total of 13 boats in the Spring Series. Perhaps we can double this.

### 1982 Summer Cruises

July 1,2,3,4	Georgina Island
July 17 & 18	Fisherman's Cove
July 31, Aug.1&2	Main Duck & Henderson Harbour
August 21 & 22	Around Wolfe Island
Sept. 4,5,6	Hay Bay

Watch the club bulletin board - cruise captains will post details of each cruise. Sign up and join the fun - safe harbours and good friends.

### Logging Out

In order to make reciprocal agreements with other Yacht Clubs work for us, we have to be prepared to let visitors use our slips when our boats are away. Before you leave for a weekend or for an extended cruise, log yourself out in the Log Book kept for this purpose in the clubhouse. Enter your slip number, name, your destination and your expected time of return. This will also provide a measure of safety for you by leaving a record of where you are going and your expected time of return.
