from The Commodore

Fall colours! Frosty mornings! Awards banquet! The 'end-of-the-season' is here, except for the dedicated few who insist on sailing to Main Duck through the ice! As boats are scrubbed, waxed, and covered, one wonders how so much cargo can accumulate over such a few short months of summer.

Thinking ahead to winter preparations (plans are already being made for the bus trip to the Toronto Boat Show in January) and next season, we would like to receive your nominations for the 1984 executive committee.

I believe we have a club of which we can be proud. This I attribute to all the members who have contributed their time, energy, and ideas and who have participated in the many events this year. A club is its members.

Both Bill and I have been pleased to be part of the growth of Collins Bay Yacht Club. For me, I have really enjoyed my year as Commodore and especially being called by name by so many people.

THE PIGEON ISLAND RACE

This year was again a big success. The weather co-operated just like last four years with winds at 20+ knots. The race was another real bash. The whole fleet was bashed by the large waves. Most of the racers had some story to tell, but that is what makes good races - good stories! Everyone is a winner just by being out there fighting the elements. I am not even going to mention who got the best corrected time, with such a large fleet of winners out there such mundane facts are irrelevant. But if you really want to find out come and attend our Awards Banquet on Nov. 5.

RACING

SCENE

Once again our sailing season is drawing to a close but I think that we have many good memories to help tide us over the winter. As fleet captain sail, who has the honor of organizing our racing activities, I must admit that, due to a less than good racing performance, most of my better memories have been of cruising experiences.

In spite of the above statement the racing season has been good for CBYC and I was gratified to see the good turn-out which we have been getting on Thursday evenings. On behalf of myself and my committee I would like to thank all participants.

I have had to spend a lot of time out of town this summer and we owe a lot to the committee for running the races this year.

John George for looking after the delicate subject of handicapping.

John Grime for doing an efficient job of race result "fixing."

Jerome Guindon and Peter Fraser for setting the Thursday evening courses more or less amicably.

One aspect of our program in which we have not been too successful to date is the setting of permanent racing marks. Four of these have been constructed. Now we need assistance in deciding how to hold them in the correct place.

Thank you all again for a great season.

See you at the Awards Banquet.

Gord Unsworth

Order from Bob Wright (389-3060)

The 1983 sailing season is now at an end and the Collins Bay Yacht Club has completed its third successful cruising season.

This year we had our first week long cruise which saw eight boats participate in the Prince Edward County cruise.

This was also the first year for planned night sailing. There were two night sails, one was to Main Duck Island during the Chaumont Bay cruise and the other night sail was to Prinzer's Cove at the beginning of the Prince Edward cruise.

The cruise committee now has about five or six months to dream up new cruises for next year and would appreciate suggestions of new ports of call from any club members.

Ron Mackenzie.

SAILING

Suddenly
A gush of wind
And then all is still again
Once more
Another boat goes by
The anxious spinnaker goes up
And you feel the boat go right out from under you
Suddenly you swish by the other boats
Finally you reach your destination
And you feel the sensation of glory once again.
