## SOCIAL EVENTS

### February Social

A new boating season is fast approaching. We already have one social event behind us, "The February Social".

Thirty-six people enjoyed the brief annual meeting at which the 1986 Executive was introduced.

Club burgees were presented to the new Commodore, Gord Unsworth, the Vice-Commodore, Carmen Knapp and the Past Commodore, Paul Kruger, in what is to become an annual CBYC tradition.

Slides and movies of the 1985 season were enjoyed by all as well as a lunch and social evening.

from the Commodore...

I would like to welcome the 1986 CBYC executive knowing that they will continue to work diligently on our behalf to ensure another interesting and successful year. It is encouraging to see some new faces on the executive although our retirees will be sorely missed and I am sure that, except for Louise W., who has moved out of the area, we will be able to avail ourselves of their abilities in running future yacht club events. I would also like to think that we can rely upon assistance and ideas for improvement, from the great pool of talent which undoubtedly lies within the CBYC membership.

I have been a member of CBYC since its formation and, over the years, have enjoyed the camaraderie, friendship and the relaxed atmosphere which has been the cornerstone of our operation even though a natural reticence on my part to join in beer drinking and partying has prevented me from making the acquaintance of as many of our members as I would have liked, particularly during my year as vice-commodore, I would, therefore, very much like to correct this situation so, if any of our members are having a ship/shore party or have beer to dispose of, remember your Commodore. Seriously though, I do hope that I will get the opportunity to discuss concerns, suggestions or complaints with many of our members during the coming year.

~~XXXXXXXXXXXXXXXXXXXX~~

I, personally, have been feeling recently that maybe we are still missing something in the way of club atmosphere, togetherness or whatever and I wonder whether it may be due to our not having anything to give us a sense of belonging to an established yacht club organization. I sensed a keen interest among members last year when we were discussing a new much improved clubhouse at the marina. Maybe such a facility would be a great step forward in the evolution of our club as well as being a great asset to Bill, in the continued improvement in the operation of the Collins Bay Marina. I ask for and welcome opinions on such a matter.

On closing, I would like to wish all members a happy and successful season and may we continue to flourish as a family oriented yacht club.

Gord. (Najade)

#### SAILORS...

The ALHERST ISLAND RACE is scheduled for June 7th. It should be a great way to start the new season.

Bill would like to remind one and all to start collecting balloons and streamers etc., for the boat decorating contest and sail past, Family Day, June 8th. There will be prizes for the best decorations.

# MEMBERSHIPS

With the 1986 launch dates fast approaching, I would like to remind everyone that it is also time once again for membership renewal. Application forms have been included with this newsletter, and early returns would be appreciated so that we can update our roster for the coming season.
