#### From the Editor's Desk

1. This issue of our newsletter contains the roster of our club members as of mid-July. Any late arrivals will be listed in our next issue.
2. Our Junior Sailing programme is under way. When you drive by the head of Collins Bay near Bath Road, you'll see our fleet of dinghies out there each week day.
3. Nonsuch 26's out of CBYC did well in the just-concluded Nonsuch World's '89 cruising category (cruising class, as opposed to racing class, has fixed instead for folding props, shallow draft instead of full keels, or limited racing experience).

In addition, it was the opinion of the nearly 80 Nonsuch's registered that the Beagle from CBYC was one of the most hospitable boats in the Rendezvous.

Bruce Fairbairn

\*Allegro had a folding prop which gave her about a one knot speed advantage. She claimed "lack of racing experience", although her skipper was a former J-24 owner.
