RACING NEWS JULY 1992

JANET OLSON

We wish to give a "hearty" welcome to Janet Olson, skipper of Lucky Two. Janet has responded to our need for a committee boat to start and finish Sailing races. We are grateful and indebted to Janet for taking on this awesome responsibility. Janet is very supportive and does an excellent job. We are starting to look professional with this important addition to our racing activity. No more sneaking across the line early! THANKS JANET along with your able helpers, Brenden, Heather and Allister.

STUDENTS/ADULTS WELCOME

Sailing school students are welcome to come to the Thursday nite races. Just show up at the committee meeting at 5:15 at the Clubhouse and you will be able to join one of the race boats. Be sure to bring along a lifejacket and have parental permission. Adult students and others who wish to do the same will be welcome.

STAGGERED START RACES

Six Tuesday nite staggered start races have been a good opportunity for new and experienced sailors to join in racing activity without the "congestion" of normal race starting challenges. This race series ends on Tuesday July 21.

SAFETY INSPECTIONS

All competitors are required to have aboard and in good working order all safety equipment required by the Coast Guard and Collision regulations. This stipulation is for personal safety in the case of accidents and for the protection of the club in the case of liability suites. For our safety please ensure all necessary equipment is available for inspection. Our safety officer will be making safety checks during the racing season.

RACING NEWS JULY 1992 - Continued

MAIN DUCK RACE/CRUISE

Don't forget the unforgettable MAIN DUCK race/cruise under the direction of David Sewell. Skipper's meeting at the Clubhouse at 9:00 on Saturday July 18. Return on Sunday. For information contact David at 545 0539 (work) or home at 542 9014.

SIMCOE ISLAND RACE AND POT LUCK PICNIC

A favourite summer race will begin with registration at 8:30 AM on Saturday August 15 followed by Skipper's meeting at 9:00 and start at 10:00. This is a favourite race for the club and proves to be a good starter race for those new to the racing activity. In order to encourage new starters, a pot luck picnic will follow the race. Please bring your favourite picnic dish and share in a new "first" for the race committee this year. Even if you do not race, please join in for the picnic. Race should be complete about 3-4 PM.

HOSPITALITY & INTERCLUB

Unfortunately, Norman and I have not been around to enjoy any visitors that might have sailed or motored into C.B.Y.C. or Marina.

We have been winding our way very slowly towards Georgian Bay. Bad weather and adverse winds have caused many days delay and it took one month to reach Tobermory, very frustrating! I had to jump ship at Parry Sound for a few days and landlubber in Kingston, but will have returned to continue the journey by the time this is printed.

We enjoyed hospitality and reciprocal privileges many times on Lake Ontario and renewed reciprocal agreements with Oak Orchard Yacht Club, N.Y., Sodus Bay Y.C., and Niagara-on-the-Lake Sailing Club. Only if you are a member of the Great Lakes Sailing Club (Association) will you receive the privilege of free moorings at Yacht Clubs in that chain of Lakes. However, we met many kind people who loaned us cars to go shopping, or drove us to and from grocery stores or laundromats. Others invited us aboard to 'Gam' and have a 'drink' and altogether made the long trip more pleasant.

On my return to Georgian Bay we hope to see Killarney and Little Current and then head home. It is beautiful country there.

Sailing in tandem with another boat is a big plus and "Almitra" and "Sueno" have become very tough and compatible as we toll 10-12 hour motor-sailing days and then spend a few hours over dinner together at the end of that day.

Hope to see you in August sometime.

Maxine Cohrs
