Message from the Commodore

Hi!

The success of our club depends to a great extent on the committees and members who serve on them. Many hours are spent both on and off season in the planning and preparation of all the activities that you see in your bulletin. Our secretary and treasurer look after the support details, while the executive try to ensure decisions are made in the best interest of the club.

The only problem comes when not enough people volunteer to fill up the committees. This has a double affect: It makes that much more work for the few that are working already, and: It makes it difficult to select experienced chairpersons for the following year. It is nice to have fresh faces as well as ideas on the committees to ensure we don't get stale and / or wear out the solid members who are always available for duty.

We aren't asking you to do any more than you are capable of, nor take more time than you have available, however, the more we have working the less time and effort it takes. Please be a volunteer and help us to make this a better operation.

My sincere thanks to all the members who have helped us so much in the past year to achieve so much in so short a time.

See you in the clubhouse.....Doug Wagner.

Fund Raising Activities

Thanks to John Keys and the many contributors to the **MARINE FLEA MARKET** we have over \$120 more in the kitty.

At the **WINE AND CHEESE** the folks that gathered enjoyed a pleasant evening and the **RAFFLE** raised another \$65. We thank those who provided prizes for the event.

Diane Black and her gang of models presented another successful **FASHION SHOW**, raising \$275 as well as showing off what's what in clothes.

Most of our events and the coffee shops during launch have been supported by members who baked, gathered, phoned, or otherwise volunteered time and effort. It goes without saying that everything depends upon that kind of support.

MARY LEARMONTH has offered to knit a sweater for our summer raffle. The winners ticket will be drawn this fall, and a choice of design will be available. The tickets are on sale by most of your executive. \$3 each or 2 for \$5

Hospitality

Still looking for a chairperson. We already have 3 members on the committee so planning and guidance plus correspondence are the primary duties needed. Maxine has done more than her share of time in this job and is willing to brief the replacement on all the fun details so all you have to do is volunteer !!!

Cruising

We hope those members who participated in the O.J. & Bubbly cruise had good weather. It's a little early to expect real summer conditions but after last year we are owed a few good outings.

Although the Family Day & Picnic is not really a cruise we hope you will find time to join us and decorate your 'Yacht' for the sailpast. It should be noted that the 13th of Jun is the second day of the Kingston Airshow and we should have great seats for the northern half of the program !!!

The following cruises are on the menu for June & July. See you on the water.

Side O' Beef Cruise

Jun 26, 27 Poplar Dell in Preston Bay, followed by o'nite at Parrot Bay

Main Duck Race or Cruise

Jul 24, 25 Your Choice. Cruise or race, stay o'nite and return on Sunday

Canada Day Cruise

Jul 3-5 **

Civic Holiday Cruise

Racing

FINALLY, our racing season is here with our first 'counter' race starting on May 20th. Our 'tune up' race for CBYC held on May 13th, went well that is as well as could be expected from a winter weary skipper. The Race Committee boat showed true the saying "To err is human" and we hope the fleet will feel "devine" and forgive. !! The first race was a washout as the committee posted the wrong course. Two boats sailed the posted course (1st Magic Carpet - John Sealy, 2nd - Viking 22 - Jan Whitfield) while the remainder were given Did Not Finish. Peter Burbridge suggested a second race, and most boats agreed ... After a good start and a good race the following results were posted:-

First	Black Knight	Hank Muis & Crew
Second	Rock & Roll	Larry Jensen "
Third	Viking 22	Jan Whitfield "
Fourth	Stardust IV	Ben Rotteveel "

I'd also like to thank the following members for their contributions:-

Carman Knapp, for the Navy Anchor. Norm McDonald, for 60' of rode. Larry Jensen, donated a man overboard pole. Ben Rotteveel for designing producing and donating most of the material for our course designator board. Tony Johnson and Bruce Rand for moderating our racing seminars.

NOTES: If you are on board your vessel on Thurs nites but not racing, please listen out on 16 just in case help is needed .

Don't forget the single handed race on June 8th and the staggered start series beginning on June 15th.

ALL members are welcome to participate in the racing. If you would like more info or help please call me at 634-1369

Best wishes for fast, safe, yachting.
Bill Learmonth

Collins Bay Yacht Club Sailing Camp

The Sailing Camp starts on Monday, June 28 and we are appealing to the Club membership for some training aids. Needed are a television set and a VHS video tape player for training tapes, to be kept locked in the Clubhouse. Also, if you have any good sail training tapes directed towards dinghy sailing, we would appreciate the loan, if only to make a copy, for the camp. Series such as LEARN TO SAIL and SET YOUR SAILS would be excellent.

Board and card games on sailing would be very welcome on those drizzly days when the sailing is not so good and the campers restless.

Any used laid and braided rope pieces are needed for knotting and splicing practice.

If you can help, please call Kathy Ross at 389-7563.

OBITUARY

SOMEONE ELSE: We are saddened to learn of the death of one of our valuable members. Someone Else's passing created a vacancy it will be difficult to fill. For many years Someone did far more than their share of a normal members work. Whenever we needed a chairperson, members looked to this wonderful person for inspiration as well as results. "Someone Else can work on that committee", or "Let Someone Else do it", was a frequently heard expression.

It was common knowledge that Someone Else was among our hardest working members, and it was just assumed that they could count on all our projects being done or supported by Someone Else.

Now that Someone Else is gone, we cannot help but wonder who will be filling those big shoes, and who will be setting the standard for all the other volunteers who are doing their share.

....heard in passing. (The Editor)

Family Day Picnic & Sailpast

Sunday 13th June

It's that time of year again. Collins Bay Marina has a great lawn, the weather is being asked to cooperate, and summer time is about to begin in earnest.

Madeline will have all the B-B-Q items available for sale, there will be games and prizes for young and old alike, and all we need is YOU and your family.

The sailpast will begin about 1 P.M. so plan to arrive in time to decorate your boat before the parade begins. Flags, balloons, pennants or crepe paper will do a nice job with a prize and honourable mention in the bulletin as an added reward for effort.

Games & B-B-Q will take place after the parade.
