Message from the Commodore

Hi!

This will be my last message before heading south in "Alpine Star". The Nominating Committee (Bill Worthy, Judy Adams, & Bill Learmonth) has been tasked with soliciting members to fill positions on our executive. Please consider volunteering!

Our Sail Training has come to the end of season with a great track record. Kathy & Ian Ross have certainly put their hearts into making the program go. This year, instructors have also been extra helpful and ingenious in overcoming many of the day to day bugs that crept into the system.

Bill & our racing committee have also been very active in providing an excellent program for members, and co-ordinating interclub races as well. All the members on the committee deserve a pat on the back.

Fund raising continues to bring in the wherewithal to ensure the clubhouse is upgraded on a steady basis. Again it is the committee that is so important in supporting Phil.

When you mention one you should mention all ... but there isn't enough space to tell you how well all our executives and chairpersons have been doing to ensure the members boating pleasure is enhanced. To top it all off, the Collins Bay Marina folks have been very supportive in our projects, and both Hub & Michelle have my heartfelt appreciation.

My sincere thanks to all.

See you in the clubhouse.....Doug Wagner.

TENTH ANNUAL FISH & CHIPS CRUISE - 11.12 Sep

In the summer of 1984, the TRINCO III crew were 'talked into' entering the Cork Offshore Races. Five enthusiastic sailors from the club, John Grimes, Jerome Guindon, Paul Kruger, Gord Unsworth, and Bill Worthy joined Bill & Judy Adams to try their hand at some serious racing. All were skippers of various sizes of boats so it made for an interesting crew and we really meant to get together to practise before the series started. This of course never happened and we started out greener than grass as a team.

The first two days were light winds and to our amazement, we did exceedingly well against the big boys with Mylar sails and experienced crews 1st place in our class and 2nd overall by Tuesday night. Next day we did the long distance race (125 NM) and after 26 hours of gruelling sailing in all kinds of wind and weather, tried to start the engine after crossing the finish line. (Well back in the fleet ... but not too bad)

That's right it wouldn't go and we had to sail into the dock by Bock "D". The hungry, tired crew decided lunch was in order and headed for the "PILOT HOUSE" to indulge in some Fish, Chips, liquid refreshment, and relive the events of the past day & night. The large ships' wheel on the wall provided a great background and seemed to add to the many stories as they were retold.

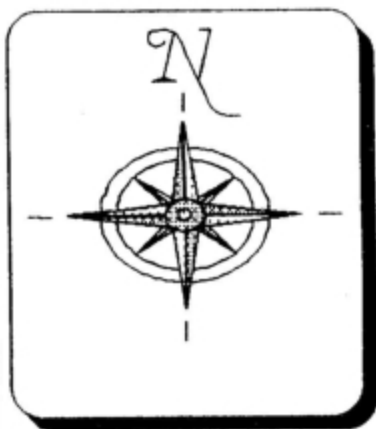

Needless to say, a great time was had by all (we still remained friends after it was all over) and it was decided we could relive it again by revisiting the PILOT HOUSE in September of that year. And so was born the CBYC FISH & CHIP CRUISE. We no longer bore people with CORK stories (unless pressed) but the essence of the cruise lives on.

Won't you come and join us for the fun this year ????

**Fri night (10th) or Sat(11th) at Confederation Basin
Dock or Anchor.**

**Sat breakfast at Morrisons Restaurant.
Saturday night at the PILOT HOUSE.
Sail Home on Sunday (12th)**

Collins Bay Yacht Club Sailing Camp

Bill Worthy and his friends of the Kiwanis Club Of West Kingston have kindly provided for a week's sailing lesson each for two Girl Guides and two Scouts this summer. We would also like to thank John Sealy who provided a week's sailing for a youth and Hub and Michelle for a week's sailing for an adult.

We are putting out a request to all club members and their families to be on the lookout for a boat capable of carrying an 18 hp motor for our secondary rescue boat. We are still looking for a used coloured television for the Club House.

The Committee would like to extend our sincere thanks to Craig and Claire for being our enthusiastic C.B.Y.C. Instructors.

Comments from the staff & adult students

-I just like being on the water

-Craig was a good instructor

-dumping was fun

The sailing program has gone well. We would like to thank Ben, Henk, and Doug for all their volunteer time. We would also like to especially thank Doug Wagner for his help with everything from dock repair to tiller design. We hope to see you out sailing soon.

Craig Swinson & Claire Aplevich (Sailing Instructors)

-the explanation of dumping made it easier!

CRUISING NOTES

- ♦ On May 22, PYEWACKET went on the O.J. & Bubbly cruise to Cedar Island. No one else came, but we had a great time with two other boats there.
- ♦ On Jul 31, PYEWACKET went on the Civic Holiday Cruise to Main Duck Island, Point Traverse (Long Point) and Prinyers' Cove. No one else came, but we met and rafted with a Nonsuch left over from the Rendezvous two weeks earlier who were good friends of ours.

NONSUCH WORLD RENDEZVOUS

The Rendezvous was held in Kingston again this year. PYWACKET represented C.B.Y.C. and was entered in the 26' cruising category. The week was blessed with perfect weather, 15 Knot S.W. winds on the race days & 15-20 Knot N.W. winds on the long distance race to Sackets' Harbour, overnight and return.

PYEWACKET took a 2nd and a 3rd place in the "cruising races" which earned a 3rd prize overall. In the long distance race, she took a 2nd and a 1st place resulting in a 1st prize overall. The prizes were Amerind stone carvings and are proudly on display at home.

Race Committee Report

Our 1993 Simcoe Island Race started with ominous warnings. Fog & mist on the lake, no apparent wind, and Race Committee problems on "Roundel" with the drop mark. All problems were resolved with only a minor delay of the start sequence. Eleven yachts drifted towards the start line, not sure where the best position would be, or even if they would ever reach the first mark. On the red flag and sound, several boats paid cordial visits to Roundel and a slow motion "snuggle" ensued with no protests lodged. The remaining four hours were filled with constant sail trimming by the crews for all combinations of situations. A dark northeren sky with occasional distant thunder supported the CCG morning severe weather warning. The fleet was spared a squall but were plagued with shifty winds and occasional gusts from all compass points. In the Belleville area, however, two golfers were reported to have been hit by lightning, and many trees uprooted! A big thankyou from the fleet to Bill Worthy and the crew of Roundel for supporting us as Race Committee Boat.
