MESSAGE FROM THE COMMODORE

It was a delight to see so many of our members enjoying the POT LUCK SUPPER last Friday evening. Our sincere thanks to Bill Learmonth and his committee who worked so hard to make it happen. This is the type of event that makes our club tick, and another similar social do is planned for September.

If the crew in the next slip to you are not members, this is a good opportunity to tell them about our good times. Invite them to our next function and hand out a membership application or our Mixer schedule.

Many thanks to Len Burt for the finishing touch to our club house with the flag pole. Flags and pennants will be flown now during all our events. Happy boating,

Doug Wagner

COLLINS BAY YACHT CLUB - CLUBHOUSE COMMITTEE REPORT
JULY

The "pot-luck dinner" hosted by Florence Wagner of the Clubhouse Committee was enjoyed by 41 members and guests, and many "soon to be members". Comments such as "the clubhouse committee should be in the catering business", reflects how the evening was enjoyed. Funds raised during the evening will help pay for a needed clubhouse fan. To Florence and your crew—thank you.

Flags flew from our new flagstaff / handrail now that Len Burt of "Celeidh" designed, built, and installed this most recent addition to our fine club. Thank you Len.

Please note the change of date for our next "Special Activity" It will take place on Friday evening the 9th of September instead of August. More details will be reported in the next issue of the MIXER. Please note that every Friday is a "Bring your own B-B-Q" at CBYC.

We are asking all members to make an effort each time they visit their boat to make sure the clubhouse is secure and locked. The clubhouse is to be locked at all times unless there is someone there. Remember, reciprocal visitors are given the combination to enhance their visit with us, but may not secure the club on departure. Please help us with this matter.

Respectfully,

Bill Learmonth.

Racing

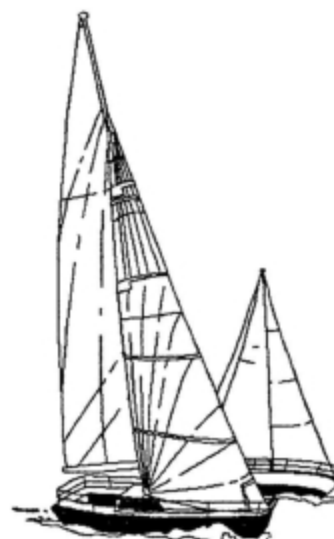

No CBYC weekend races during July, but it looks as though Henk Muis and his "Black Knight" team did really well in the KYC overnight race.

The Summer series is well underway with some great racing and, more important, great fun being experienced by the participants. The results of our Spring Series found Black Knight first, Magic Karpel second, and Stardust IV in third place.

There is still lots of racing to go, so come on out with your crew and don't worry about your experience level. It's never too late to learn and we have many members who will be happy to help.

COLLINS BAY MARINA

Another great summer! We have had the pleasure of participating in several Club activities this summer. Judy and Bill's BBQ was one of the best times we've had in a long time! The Poplar Dell dinner and the Sailpast aboard Almitra and BBQ were also a lot of fun. Hub is racing Thursday nights on Black Knight and is looking forward to racing in CORK as one of Henk's crew.

Those of you who only make it here in the evenings or on weekends may not realize that the Sailing Camp is once again a flurry of activity. Monday to Friday, large groups of young people enjoy lessons, games and dinghy sailing on the bay. It's nice to see the next generation of sailors learning the ropes. Bravo to Kathy Ross and her Committee!

Our pup, Tessa, is teething and recently found a new (and expensive) item to chew on — two cheques! Imagine how embarrassing it was to have to call the customers involved and say "our dog ate your cheque". Randy Olan invented a "puppy proof cheque envelope" and reissued his cheque sandwiched between two blocks of wood. We're happy to say that Tessa seems to be sticking to her rawhides these days.

We look forward to seeing you at the next club event!

Hub and Michele,

Canada Day Weekend Cruise

C.B.Y.C. Cruising is picking up. We had eight boats out, and there would have been ten were it not for cancellations due to mechanical or medical problems. Roundel, Second Wind II, Scarlet Runner I, Zoom, Whiskey Jack, Pyewacket, Sabrina IV, and Tamara C. made it to Hay Bay in light to moderate winds. On arrival we were invited to use the moorings and shore facilities of the Stevensons and Miles. It wasn't long before a good party was underway which concluded with the firing of a number of flares to celebrate Canada Day. (Good way to get rid of overdue flares without attracting unwanted attention!) We owe Sabrina and Tamara C a big thank you for the superb hospitality.

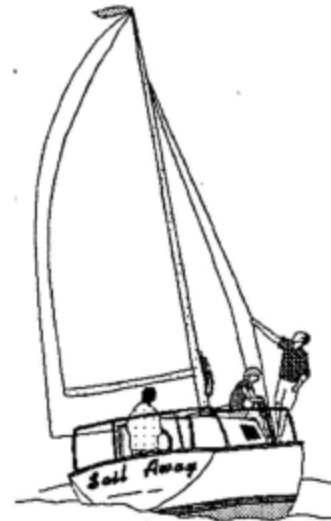

Saturdays Southwesterly wind convinced us to avoid the beat into Picton Bay, and head for Prinryers Cove instead. A real gentlemen sail (Downwind) and most of us docked (60 Cents/ft) or moored at the Marina for the night. We were joined in time for happy hour by Lutece and took over most of the eastern dock for dinner and conversations until after dark.

The wind swung around and intensified, but threatened storms did not materialize. Sundays light winds were easterly, so those that didn't motor had a slow beat back to Collins Bay.

On the whole it was a fun cruise with good sailing and good company. Let's see if Second Winds' Civic Holiday Cruise around Wolfe Island can surpass it?
