## **MESSAGE FROM THE COMMODORE**

By this time most of the boats will be in the water and sailing activities underway. Once again I wish you all a safe, courteous and enjoyable season. As you all are aware the CBYC is fully a volunteer organization. With the exception of sail trainers there are no paid employees. This includes custodial duties for our club house. On behalf of the membership, I wish to convey my appreciation for the relatively clean state in which MARIA has been left after most functions. Since we do not have a custodial service, however, it is most important that as do campers, we remove all garbage that is perishable immediately following any function or personal activity that involves food. Your anticipated cooperation in removing garbage to the outside receptacles provided by the Collins Bay Marina is very much appreciated. On another matter, I draw your attention to the quality of the CBYC Newsletter. This communique is provided through the volunteer efforts of our editor, Bill Worthy. Creative and constructive criticism is more than welcomed by Bill. Further, you are encouraged to use the Newsletter as a means of conveying important messages concerning sailing, or to list personal items for sale. On a final note, please avail yourself of the many club activities advertised in the Newsletter and where applicable, utilize the services and products of our commercial sponsors.

## **INTER CLUB RELATIONS - RECIPROCAL AGREEMENTS**

I know it's been mentioned before but please bear with me one more time. The only way the **reciprocal agreement** will work is if everyone who heads out for a night or two lets the **Collins Bay Marina** staff know which slip is empty. Over the years many of our members have been royally treated in various clubs around the lake. This exchange of privileges gives us a some extra benefits that would be difficult to replace if lost.

We should also give a hand to any visiting boaters and ensure the Club and Marina are remembered in a favourable light.

*Thanks* *Carmen Knapp* Inter Club Relations Chair

## Clubhouse Committee Report May 1995

Congratulations and a thank-you go to hostesses Maxine Cohrs and Florence Wagner. Thank-you as well to their fine crew of volunteers who provided two launch coffee shops to the pleasure of all those who enjoyed the fare.

An incorrect statement was published in the last edition of "The Collins Mixer", so would you kindly note that the correct date of the potluck dinner is July 14, 1995.

It seems that the big question currently circulating CBYC is; "how can we get our hands on tickets for Bill and Judy Adam's Amazing Club Barbecue on June 9 1995?". For the correct answer to this awe-inspiring question, please check out the announcement in this very issue of "The Collins Mixer". From the Clubhouse Committee, we wish every member and their crew a year of happy and memorable yachting.

## Racing

I know the racing has started because the boats are in the water and Hank, Ben, George, and the boys are smiling. They must have been too busy to send in a report this month, so will add some comments from the editors chair.

If any of you members have thought about racing but didn't take it up because of a lack of experience or knowledge of the rules, please show up on any Thursday about 5:30 P.M. at the docks and talk to any of the racers. The system is designed to involve all types of boats and participation will certainly improve your ability to sail.

In most cases there will be skippers looking for crews and you can enjoy a front seat at the show to learn the basics before taking your own boat out. You'll be surprised at how much fun is involved. The weekend races are listed on our calendars and provide another way to enjoy the beautiful area we live in.

See you on the water ..... The Editor

### Cruising Report

Wind and weather were kind to the few who showed up for the opening cruise of the season. Corinne and I on *ROUNDEL* were joined by the Fairbairns and *PYEWACKET* at Confederation Basin on Friday afternoon. After some tasty on board treats from Alda we dined at the Pilot House where food and ambience were outstanding.

Saturday was another pleasant day and we breakfasted on board *PYEWACKET*. The short trip to Cedar was uneventful and *ZOOM* with Gord and Ann Unsworth showed up to help celebrate the beginning of another season. Music and the occasional cannon sound came to us from the Fort Henry and RMC areas, but the passage of the Hot Air Balloons each morning and evening provided a special effect for the gathering.

The O.J. & Bubbly breakfast was served under a strong sun and nobody left hungry. The weather office was threatening Thunderstorms and strong headwinds for late Sunday so the Fairbairn's and Worthy's headed back to Collins Bay while Unsworth's anchored in Kerr Bay. Needless to say the prediction proved false and we enjoyed perfect winds and conditions for the return.

*Bill Worthy*

### Sail Training

The courses are filling up fast and if you know of anyone who is planning to take some sail training this summer please advise them to sign up early before the slate is full.

Mike Mastrianni (Fleet Captain Sail) has volunteered to help out with the winter maintenance program to lighten the load of Ian Ross who has carried the role for many years now.

There is always a need for Video Tapes and other sail training material, and if you know of or have access to any useful items of this nature please contact me or Peter and we will pick them up.

See you on the water .....
