## MESSAGE FROM THE COMMODORE

I've been busy. It isn't an excuse, it is just a fact that has reduced my attendance at meetings and other activities at the Club..

Everything seems to be running smoothly without me, and I must thank the various chairs for that . It would be nice if more members were to get involved in the committees but those that are have done great work.

I hope to see many of you at the events planned for the summer, and would ask you to advise me if there is anything regarding our program that you would like changed, or added.

Enjoy the summer

## Sailpast '95

This year, our annual C. B. Y. C. Sailpast did not get underway until 1400 hours, a little later than planned, but successful none the less. Commodore, Gene Black was not with us to take the salute, so as Vice Commodore, I filled in as I guess Vice Commodores are supposed to do.

We had a good wind and Stardust IV was anchored west of the government dock to accept the salute. Several C. B. Y. C. members took advantage of the breeze under sail power to make the sailpast genuine.

Vessels taking part in the Sailpast included Alpine Star, Pyewacket, Black Knight, Bairn Craig, Midnight Sun, Jolly Roger, Scarlet Runner, Celeigh, Blynkyn, Cara Mia and Whiskey Jack.

After the Sailpast, Tom Worthy had games for the kids and Madeline Gostlin made hamburgers, hot dogs and drinks available for the hungry. For those of us that keep track of numbers, attendance seemed to be down a little from other years, but the festivities were enjoyed by all that took part.

I would like to extend my thanks to everyone that helped to make the day a success. Remember our club is what we make it.

Don't forget to take part in the Race Nights or Cruises sponsored by C. B. Y. C.

## Clubhouse Committee Report

June 1995

Fine memories of a beautiful evening remain as we enjoy the afterglow of Bill and Judy Adams' Chateau Briand Steak Barbecue. An ever so special thanks goes out to Bill and Judy Adams for running this spectacular event.

And who took on the prestigious mantle of chef for the second year in a row? Why, it was Carm Knapp. Thanks Carm, the steaks tasted great. Well done (Get it?).

For those of you wondering who it was that did the amazing job of fixing the stairway, it was Paul Kruger. Bravo Zulu Paul, and remember, it may come to pass that you yourself will be asked to paint the stairway and upper floor (roof) of the clubhouse. If such an event does occur, please say "yes". It would mean ever so much to us (The Clubhouse Committee, that is).

The next big Clubhouse event will occur on July 14, 1995. Details are enclosed in this issue of "The Mixer".

Happy and memorable yachting.

## Racing

Racing obviously doesn't allow time for writing! The weather has been perfect for all kinds of sailing, but if you need an reason for getting out on the water, make sure you use "Racing" for the Thursday excuse.

If any of the racing committee finds time heavy on their hands, I would like to have some results of the races for publication.

## Cruising

The "Canada Day" week-end cruise will be a three day event. Departing on or before 10:00 A.M. Saturday, July 1, proceed east via the Canadian Middle Channel past Gananoque to the east end of Hill Island (Big bridge to the States) and the Parks Canada anchorage in the bay South-East of Watch Island.

Sunday A.M., motor up or around Fiddlers Elbow and head west to the Gananoque area where there is a choice of docking at the various town docks, or looking for anchorage in Brakey Bay on Wolfe Island.

Monday, July 3rd, sail west at your leisure back home to Collins Bay, waving to Bill & Judy Adams as you pass their cottage on Wolfe Isle.

Skippers meeting at 1900 hrs (7 P.M.) Friday June 30, in the CBYC Clubhouse, or call me at (613)389-0277.

## Sail Training

The courses have filled up fast and there aren't many spots left in July. We have some great instructors and a beautiful spot to sail in, so hurry and don't miss out on this chance to start a child out in the great sport of sailing.

We are still asking for any old videos or sail training material you might want to donate to the school.

See you on the water .....
