COMMODORE'S NOTES

Warm spring greetings CBYC boaters! A hive of activity is once again evident at Collins Bay Marina with ice bound docks and snow covered vessels just a recent memory. Those grey days of winter are behind us and we look forward to the warm breezy days of summer.

In the 1997 season, as always, you are urged to take advantage of all the activities CBYC has to offer. Historically, CBYC began as a warm and friendly social club and has evolved and grown to incorporate events for every taste in boating.

If you have a competitive spirit, please feel welcome to join the races on Thursday night. You will find a friendly mix of both experienced and novice racers willing to help introduce you to the thrill of competitive sailing.

If boating is a relaxing and social exercise for you and your crew, the CBYC Cruise Committee has destinations lined up for 1997 and would love to have you sail along in their fleet of adventurers.

Many social activities are planned for your enjoyment throughout the sailing season. The celebrations of Family Day, Barbecues, and Pot Luck Suppers in the Clubhouse and on the lawn, continue to foster the friendly and social origins of our club. Share a meal with new friends or renew some old acquaintances.

Our club members have enjoyed recognition and a welcome reception at clubs around the lake for years through our ongoing reciprocal agreements. Our own hospitality goes a long way in keeping these privileges viable. Extend a warm greeting and a moment of your time to assist a family to enjoy the privileges of our club, clubhouse and surroundings. Tell them about Rotary Park, Lemoine Point and the nearby grocery store. A friendly greeting of familiarity could await you when visiting their club flying the CBYC burgee and presenting your membership card.

Our Sail Training School is expecting another full and active season and with your volunteer efforts and encouragement will continue to offer sailors the opportunity to learn more about the sport we all enjoy. Their success depends on us.

We are fortunate, as a club, to enjoy a cooperative and encouraging relationship with Collins Bay Marina operators, Hub and Michele Steenbakkers who are also members of CBYC. They and their staff appreciate any efforts that we can make as individual members to enhance the friendly atmosphere of our home in Collins Bay Marina.

The inception of CBYC as a club began with the sharing of ideas, friendship, and the enjoyment of boating. Your executive would appreciate any friendly ideas that you have to offer us in the coming season.

Happy sailing in '97

Susan Knapp
 Commodore, CBYC

CRUISING NEWS

Are you looking forward to a good summer of cruising? I am sure you all have some plans for week-ends and holidays, but let me fill you in on ideas tossed around by our Cruise Committee. (Who met during the winter chills of Feb.)

Following the usual long wee-end plans that have proven popular, there were some suggestions for various new destinations. **Note:** Your ideas and feed-back are important.

▲ May 17,18,19. - Confederation Basin, breakfast at Morrisons, on to Cedar Island for **O.J. & Bubbly** breakfast the next day - or whatever. This is open to everyone moored at the **Collins Bay Marina.**

Bruce and Alda Fairbairn decide. Call 389-0277

▲ June 28,29, 30, July 1 **Canada Day** - There is time for a longer cruise for anyone with time and four days free - possible Waupoos or points west. **BUT** on Monday proceed to Parrott Bay to the **Krugers** for a repeat of that marvellous **B.Y.O. B-B-Q** supper and fellowship. Stay overnight at the dock or anchor. You can **drive** to this rendezvous.

Call **Doug & Flo Wagner** 389-1295

▲ Aug 2,3,4 - **Aug Bank Hol.** Again, **Bruce Fairbairn** our experienced and accomodating cruiser, will find an interesting destination. Ideas put forth include Brakey Bay and, with permission, ashore on KYC property, Chaumont Bay to Crescent Y.C., Cape Vincent, and anywhere else you might suggest.

▲ Aug 30,31, Sept 1 - No definite destination yet - maybe Picton, Hay Bay, Belleville? Ideas need to be formalized and we need a Cruise Captain for this one.

▲ Sept 20 - **Fish and Chip Cruise** - Last years venue for dinner was a popular change, but the participants still outnumbered the seats in the Toucan lounge. It is wonderful to see these events grow! We cruise to Confederation Basin, Happy hour aboard a boat or two, dinner ashore, breakfast ashore and a race home! **Bill Learmonth** will organize race info and **Ian Whitfield** will do times and handicaps.

Claudette & Gerry Killoran - 384-1136

▲ Times and info will be posted on our bulletin boards. Please consider good photos for our club historian **Judy Adams** (389-1812)

Volunteers needed !!! Looking forward to summer.

Maxine Cohrs 389-5734

MIXER EDITOR WANTED

Your CBYC Mixer Editor is committed to (No, not an institution) chairing a reunion committee for 1998. As the major effort takes place in the spring and summer of that year it will be impossible to produce the club newsletter at the same time.

With all the talent available in our membership there must be someone hiding in the weeds who has the desire to aquire the power associated with this high office.

The only prerequisite is access to a computer or equivalent in order to fabricate and print the originals as well as labels or envelopes. We publish 6 issues from May to Oct plus the **Membership Pamphlet** and **Annual General Meeting newsletter** in mid winter.

Anyone interested please contact me or any member of the executive.

Bill Worthy Editor 389-3077

PS - Help is ALSO needed with the July issue this year

"Bon Voyage" for Thom Tomkow
and his crew on "Blue Angel"
as they head for Newfoundland.

TOM GRIFFERTY

Sailboat Fittings, Marine Supplies, Giftware

This is your year to race at Collins Bay!

We look forward to another year of racing at Collins Bay, but we want to dispel the idea that you need a racing boat to compete. Racing gives you the ability to get out on the water at an organized event, to sail with lots of other boats all going to the same place and then to come back and have a party. So please come and join us; you will have fun; you don't have to have a spinnaker and the boat that crosses the line first is not necessarily going to be the winner.

Our format for racing has changed this year. We will have several weekend-day races throughout the season which will provide a course taking several hours that will get you back to the dock in time for a great barbeque. In addition, there will be at least two events that will get us sailing to a destination for a meal, drink, or just some fun, and then we will sail back.

If this sounds like cruising to you, instead of racing, that is because races and cruises are the same! The only difference between a race and a cruise is a race starts with a bang! We encourage all neophyte sailors, all people with 20-foot boats, all people with 30-year old yachts who think you cannot race because you are too slow, to come on out! We guarantee you will have a great time!

Awards this year will not go to the fastest boat, but to the boats which show the best spirit of camaraderie on the water -- you have to be there to win an award, though, so we will see you on the water!

Fair Exchange on U.S. \$

Events this year consist of the following Saturday races:

June 28 - Amherst Isle race & B-B-Q

Beginning August - Simcoe Isle race & B-B-Q

Beginning Sept. - Pigeon Island race & B-B-Q

Beginning Oct. - "Frost Bite" race & B-B-Q

(don't let the name fool you-- the weather is great, the water is warm, the winds are good, and the scenery is beautiful as we sail to Milton Island.)

There will be two events that will have us getting off the boats at the half-way point for some fun -- dates to be determined.

If there is enough interest, we will also have races on Thursday nights, but only if there is wind, and only on courses which will provide fun for everyone. These will run all season if people will come out to sail, beginning at the end of May.

(Cont'd next page)

COLLINS BAY MARINA NEWS

It seems like spring will never arrive — but don't panic. Looking back in our log, the ice left the Bay April 13 in 1994 and April 10 in 1996 so we aren't too far off track. Launch will go ahead as scheduled.....

It was a beautiful winter at the Marina — a special highlight the first (annual?) SKATING PARTY held on Sunday February 23. When we woke up Sunday morning, we saw that the recent rainfall, followed by a few days of freezing cold had created an almost perfect skating surface on Collins Bay. A few phone calls later and a group of at least thirty skaters, young and old alike, were enjoying mother nature's rink. The CBYC clubhouse provided the ideal spot to warm up with a cup of hot chocolate. Angie Simone broke in her freshly sharpened skates. Lloyd Miller and new members Chuck and Karen Francis joined in the fun. The Yates clan showed their sportsmanship skills with a raging game of hockey after getting their dad up on blades for the second time in his life and the Lazenby girls showed us all up with their figure skating prowess. Later in the afternoon the wind picked up and John Clark's (of JC Sails) DN ice boat was brought out on the ice for a spin. What a wonderful way to spend a winter day at the Marina.

We will once again be offering reciprocal privileges of one night free to visiting clubs. Please sign out your slip whenever it is available so we can provide a slip to a visiting boat. To sign out, simply tell one of our staff the details or radio your departure to us on VHF channel 68. Boats taking advantage of reciprocal privileges continue to grow in popularity. Back in 1991 we had ten reciprocal boat visits. During the summer of 1996, we had 48 reciprocal boats enjoy a complimentary night. The guests really enjoyed use of the clubhouse and the BBQ. The clubs that visited CBYC the most were Whitby Y.C. with 8 boats, followed by CFB Trenton (5) and Lakeshore YC (4).

Launch is by appointment on weekdays starting in late April or as per schedule on Saturdays May 3 and 10. We look forward to seeing the start of another great boating season.

Hub and Mische

(RACE Cont'd) Remember, there is no need for a "crack" racing crew; no need for a spinnaker, and no jam up on the starting line.

For more information, please call :

Stephen Yates, Race Committee Chairman
(384-8200).

Dates to be posted later.

CBYC - Sail Training Camp

Collins Bay Yacht Club is offering sail training day camps for youth nine years of age and older and an adult evening programme. The day camp is in two week sessions from June 30 to Aug 22, 9 AM til 4 PM. Instruction is by Canadian Yachting Association certified Instructors in CBYC dinghies; CYA Certificates of Achievement are awarded upon completion of each level.

White Sail (Levels I, II, and III) cover basic sailing knowledge, safety procedures, rules of the road and plenty of sailing. Bronze Sail (Level IV and V) include spinnakers, heavy weather sailing, advanced theory, and boat maintenance. Silver Sail (Level VI) provides instruction for racing.

Rates are \$275 for members (\$290 regular) with 10% off for 2nd member of family. There is a further reduction of 15% for taking a second session.

For further information and registration **Call Gary Logan 634-1308**
