COMMODORE'S NOTES

That ominous and foreboding nip is in the air of an evening, and talk turns to resolutions for next summer's more well managed time schedule, including more S&S (sun and sail.) Don't drop the shade on summer yet -- there is much to look forward to!

On **Labour Day Weekend** cruisers head to Hay Bay to be welcomed at the Miles/Stevenson property for an onshore Potluck on Saturday. You are assured one of their 'Million Dollar Sunsets' if Mother Nature cooperates. We appreciate our hosts welcoming us to their little piece of paradise once again.

Saturday, September 13 we welcome visiting sailors and encourage our members to participate in the **PIGEON ISLAND RACE**. The weather is cooler, winds are brisk and the longer distance provides everyone with a day of fun and challenge and a fighting chance.

On the evening of the Pigeon Island Race, the Race Committee will sponsor a **CHATEAUBRIAND BARBECUE** for our club. Please refer to the notice in this newsletter and respond early. Sponsors must have advance commitments to prepare for this event.

A popular event (formerly known as the Fish and Chips Cruise) has a refreshing new twist this year. More spacious accommodation was required for all who come by land or sea and we found the creative person to accept the challenge - introducing **THE MEXICAN BORDER RUN** on Saturday, September 20th. Claudette and Gerry Killoran were on last year's cruise and liked it so much they joined the club. Claudette volunteered for the phone committee which she now heads, Gerry was elected Vice Commodore and Claudette arranged for a larger spot and an exciting new idea for the last big cruise of the season. We welcome and appreciate the Killorans' enthusiasm. On Sunday, September 21, following the Mexican Border Run you can participate in the **HOMEWARD BOUND RACE** from Confederation Basin to Collins Bay. Contact Bill Learmonth for information.

Saturday, October 4th is our **ANNUAL HARVEST POT LUCK DINNER** and this year, we are inviting members of KYC to join us. Please bring your family, your food and a big welcome for our guests.

BRAVO to Sail School Coordinator, Gary Logan and his team of instructors for a fabulous season of fun and learning. Head Instructor, Tom O'Hearn and Assistants, Jeff Hopkinson and Al Ross have coached and encouraged the sail campers into challenge and excitement on the water for the last eight weeks. All of this year's alumni were invited to participate in the wrap up Regatta on the last day of camp.

So, you see, summer is not over yet. We just won't let it go!

Looking forward to seeing you at any or all events, *Susan Knapp*
Commodore, CBYC

CRUISING NEWS

⚓ **August 30th, 31st, and Sept 1st** program needs a cruise captain but we will be welcome at the Stevenson / Miles property on Hay Bay for the Saturday. An on-shore party has proven delightful in the past. More details later.

⚓ A **20th September cruise** has been planned by Claudette and Gerry Killoran. The new and larger venue at the **LONE STAR CAFE** on Ontario St. has been selected for a **"Mexican Border Run"**. An **"All you can eat" Tex Mex buffet for \$15.00 (Includes Tip)** will be provided to the cruisers (both land and sea arrivals) but, as accurate numbers are required, please call **Claudette at 384-1136 or fax 384-1139**. In addition, those interested in **racing home** like last year can contact **Bill Learmonth at 634-1369**.

Happy Cruising.

The Civic Holiday Cruise.

This year, the cruise took us along the south shore of Wolfe Island in a SW to W wind up to 15 Knots. So the four early starters rounded Quebec Head and made for Brakey Bay in good time. Pyewacket, Sueno, and Alpine Star were accompanied by new members Betty and Gilles Beaudoin (Ramoni) and later joined by Scarlet Runner I who sailed the North Shore because of a late start. Jim was late retiring because of his retirement party!!

Saturday night was lumpy as the wind veered to the NE. On Sunday Ramoni and Alpine Star headed back to Collins Bay and the remaining three eventually made it to the south of Endymion in light winds.

Monday's sail home was a mixed bag. There was practically no wind until the west end of Howe Isle, where it built up from the west to almost 10 knots. Good sailing past downtown Kingston, and a colourful regatta of Mirror Dinghies.

Why don't you join us next time?

Bruce Fairbairn.

This is still your year to race at Collins Bay!

There are several events left on the racing calendar this season. We continue to hold Thursday night races -- new crews welcome anytime! Two Saturday races remain, as follows:

September 13: Pidgeon Island race -- Skippers' meeting 0900 hrs, Followed by the annual CBYC Chateaubriand steak night! Tickets are \$10 per person, and must be reserved (please see notice elsewhere in this newsletter).

October 11: "Frost Bite" race and B-B-Q (don't let the name fool youthe weather is great, the water is warm, the winds are good, and the scenery is beautiful, as we sail to Milton.

Remember, there is no need for a "crack" racing crew; no need for a spinnaker, and no jam up on the starting line.

For more info, call Stephen Yates,
Race Committee Chairman (384-8200).

Notice anything new at the club?
Racers and cruisers alike will benefit from the latest item to adorn the walls of the clubhouse. A framed chart (U.S. # 76), featuring Collins Bay at the top centre, now hangs on the west wall of the clubhouse.

This chart was purchased by proceeds of the Amherst Island barbecue, held in June. Club treasurer Thom Tomkow framed the chart at his own expense, and presented it at a recent executive meeting.

Thank you Thom, and thank you racers, for the gift of the chart!

Now that it is in place, be sure to consult it before your next cruise or race!

CBYC - Sail Training Camp

Another successful season is over. Gary Logan and his staff have introduced the enjoyment of sailing to the many students who signed up to learn this old and satisfying sport. We will have a full report on the program in our final "Annual Banquet" mixer.

Our annual Banquet will be planned for the middle of October. Details will be posted on the clubhouse as well as in our next issue. Plan on attending if you want to hear all the new "stories and tales" from our members. Awards for the intrepid and not so intrepid will be handed out as well as plaudits for the members who have worked on your behalf for the past year.
