## COMMODORE'S MESSAGE

Be careful what you wish for! Lazy, hazy days of summer; brisk winds. Did someone out there wish for rain? We have had our share of varied weather this season, but CBYC members are tolerant and adaptable people so - no complaints.

The Waupoos Marina Race/Cruise was a smashing success. Look for Hub's account in this issue.

Some of our boats have been participating in racing "up the way" in the Big Bay of Quinte at the EYC Races and all in all did fairly well in stiff competition.

August is upon us and the upcoming Civic Holiday Cruise should be a good one. August is also CORK month. We're proud of our continued support for CORK both with volunteers and participants and we wish everyone well.

A word on reciprocal priveleges. If you now enjoy the reciprocal program, you must be aware that informing the marina of your departure, the length of your absence and estimated return are an integral part of your obligation to this agreement. Please don't forget to inform the marina staff so that they know how many slips they will have available for reciprocating boats.

As with many structures constantly near water, the Clubhouse is experiencing some repair requirements - specifically, the spiral staircase to the upper deck has been deemed unsafe. Several options for permanent repair are being investigated and we'll hope for a timely resolution to Maria's woes. In the meantime, a barricade has been erected for our protection and the safety of visiting boaters using the clubhouse.

If you're looking for a day of great sailing, consider entering the Simcoe Island Race. You won't be disappointed. Winning crews congratulate each other, losing crews console each and everyone likes to relive the day at the post race BBQ. Some just enter for the food and drink to follow and that's fine too!

It is really heartening to see the young sailors in our sail training program doing so well and having such a great time. I recall more water than dry cockpit during the Laser course I took twenty years ago. I am impressed! Good instructors make happy campers.

The sail school is having a season end regatta on August 22 and would appreciate any help you could give them. Ask the instructors or Gary Logan about it and let him know you are willing to encourage and support their excellent accomplishments in our sport.

Hope to see you at any one of the many upcoming events--

Susan Knapp, Commodore

## COLLINS BAY MARINA NEWS

Summer is in full swing here at Collins Bay. The sailing school campers fill the weekday air with the sound of laughter as they learn their skills and play various games. The weekends are filled with a steady stream of visitors who always comment on how friendly and welcoming the boaters of Collins Bay are! Mother Nature has been kind with lots of hot, sunny weekends to enjoy. Our various maintenance projects are taking shape around the facility. It is very

rewarding to know how many of you are enjoying the freshly renovated washrooms. Thank you for your patience and co-operation during this project -- we hope you won't miss the temporarily "co-ed" washrooms too much!

See you on the docks!

## CANADA DAY CRUISE

The Canada Day cruise went to Prinyer's Cove on Saturday June 22 with three boats, *Second Wind* with Phil, Angela and Alistair Morris, *Sueño* with Merv and Marion Cameron, as well as Karen and myself on *Equinox*. The Camerons hosted a happy hour on *Sueño* while Brandy kept watch on the deck.

Sunday morning it was off to the Krugers on Parrott Bay for a BBQ where we were joined by Carmen Knapp and Bill and Corrine Worthy on *Stardust IV* as well as Dennis and Louise Williamson aboard

*Clockwork Orange*. Several people arrived by car and all enjoyed the beautiful setting for the BBQ. Thanks to Paul and Desiree for their hospitality!

As of this writing I have no captain for the Civic holiday cruise but the Labour Day cruise is shaping up to be a great one. Mike Miles (*Sabrina IV*) will be the captain and the destination is the Stevenson/Miles property on Hay Bay. There will be a BBQ and Norm and Maxine Cohrs will be cooking a pancake breakfast on the Sunday morning. This will also be accessible by car so if you can't sail down you don't have to miss it.

The Fish & Chips cruise is being captained by Claudette Killoran on Sept. 26-27. Keep an eye on the bulletin boards for further information.

Photo Credits: Bob Wellwood wrote in to say how much they enjoyed the Canada Day Cruise BBQ at the Kruger's. He also sent in some photos of the event for the archives. The Wellwood's are now enjoying a three week cruise around Lake Ontario in their new Catalina 32 Helen May.

## EASTER SEALS REGATTA

The second annual Easter Seals Regatta was major success again this year! Hosted by Kingston Yacht Club with Midland-Walwyn as the lead sponsor, the Easter Seals Regatta raised over \$32,000 for handicapped children. Not only is this an excellent cause but it is a lot of fun as well.

Here is how it works: skippers campaign for sponsors who donate a minimum of \$250 to the cause. Skippers and crew take part in a triangle race and a sail-past followed by a barbeque at KYC. There is also a reception party on the Wednesday prior to recognize the skippers and their sponsors.

Book this one in for next summer! Grabbing sponsors is easy! Go for your suppliers, customers, the local real estate agent, etc.

We would like to thank the following boats and their sponsors for representing CBYC in this event:

Black Knight  
Exocet

Collins Bay Marina  
Orion Bus Industries  
Metalcraft Marine  
Joyceville Inmates

WhiskeyJack

Thanks go to KYC for a terrific job and a great time! See you again next year!!

The picture shows WhiskeyJack dressed for the occasion. Check out the Exocet crew on page 12!

## WAUPOOS RACE / CRUISE

The first (annual?) Waupoos Race / Cruise was a great success! Seventeen boats participated in this event organized by Hub & Miche Steenbakkers during the July 4<sup>th</sup> weekend. We had a whole range of boats from the 22' La Salle crewed by Ian and Gayle Whitfield to the 39' Suecha crewed by Mogen and Jonna Degn, their daughter, her husband and 2 children (good thing Suecha is 39!). There were 13 boats on the starting line Saturday morning. The weather got a bit damp but the spirits didn't, so the race went on for 4 hours before we were becalmed for the afternoon. We cancelled the race and converted to cruise mode. Murmure D'O deserves honourable mention for sailing all the way. Waupoos Marina provided a great barbeque dinner with hamburgs, hotdogs, various salads and a strawberry & ice cream dessert in their huge second floor loft.

The next morning we were treated to a sunny outdoor breakfast selection of fresh fruits, cheeses, pastries, cereals, juices and coffee! Many thanks to the fine folks at Waupoos Marina! Following breakfast and a skippers meeting we were off to the races again. We had good winds and fair seas for the first half of the race but when the Kingston thermal met the northerly winds the result was doldrums which forced all but two boats to retire from the race. Black Knight and Escapade finished within 20 minutes of each other after 9 hours of racing. Congratulations to Joe Atkinson and crew for their 1<sup>st</sup> place finish. Thanks to all those who joined us, let's do it again next year!

## ARCHIVES AND MEMORIES

I am still looking for contributions to add to the story of CBYC. Thanks to Kathy Ross for pictures of Sailing School activities in 1993-94.

Pictures, newsletters and information are getting sorted to provide a permanent record of our club activities and growth. It is a big job, but an interesting one, reviving a lot of good memories. Now I am at the stage to zero in on some specific requests. My immediate goal is to complete the newsletter collection and the pictorial record of 1997.
