## COMMODORE'S CORNER

Hope your launch was/is successful! Members of the 1999 executive look forward to meeting you and your crew at the wine and cheese party, to take place Saturday, May 8 (see notice elsewhere in the newsletter). Members bring a bottle of their favourite vintage, and the club provides the munchies! Also, please be sure to mark Sunday, June 13 on your calendar - the day of the annual Sail Past and family picnic.

Many members of the executive and their committees have been working hard this spring in order to put together the programs and services offered by CBYC. They look forward to sharing the results of their efforts in reciprocal agreements with other clubs, an exciting social program, challenging organized cruises and races, and an expanded line of club regalia (to name only a few of our working groups!).

For the third consecutive year, Gary Logan, assisted by Carol, along with a small committee, has organized the Sail Training Camp. This is perhaps the most important program offered by CBYC, in terms of persons served, financial commitment, and outreach to the sailing community. We are looking for a member to take over the chairmanship of the sail training committee from Gary this summer. This is an opportunity to work with a very enthusiastic and competent staff of instructors and meet many eager young sailors and their families. If this opportunity interests you, please speak to any member of the executive!

Last, but not by any means least, we congratulate Hub and Miche on the safe arrival of their beautiful daughter, Mya, on March 21!

May the winds be in your favour...

Barbara Yates, Commodore

## COLLINS BAY MARINA NEWS

We would like to take this opportunity to welcome our new and returning customers to Collins Bay Marina for the 1999 boating season. Once again we had great weather this year, allowing another early launch, with our first boat hitting the water on April 14th.

You are all probably aware of the big news by now - we are proud to announce the healthy arrival of a beautiful baby girl. This brings the news of our Baby Ballot winner. Tony Johnson came the closest to guessing Mya Michele Steenbakker's date of birth, time, weight, and sex. We had a three-way tie for second place, between Gerald Johnsrude, Cindy Lazenby, and Ken & Lynne O'Brien.

Tony will receive a \$100 gift certificate to Collins Bay Marina, and our three runners up will each receive a CBM sweatshirt.

Due to Mya's timely arrival, Miche will be taking a maternity leave this summer. Some of you may have already met one of our new staff members, Christine Glentz. Christine will be taking on most of Michele's responsibilities in the office, and will soon become a familiar face, although you may see Michele and Mya in the yard from time to time.

Thanks to everyone for collecting signatures and returning your water level petitions. We amassed a large response to this issue. Many of you may have received a form letter response from the IJC. Although their response was not overly encouraging, you can be sure that they are hearing us. The International St. Lawrence River Board Of Control will hold a public meeting to discuss the regulation of outflows and water levels of Lake Ontario and the St. Lawrence River. The meeting will be held June 2, 1999 7:00 PM -

9:30 PM at the Cornwall Civic Complex, 100 Water Street East, Cornwall. For details or to address the meeting, contact: Ed Eryuzlu, Board Secretary, Canadian Section Tel: (613) 990-5617 Fax: (613) 991-2473. If you are able, we urge you to go to this meeting.

## NEW FACES ON THE EXECUTIVE

### MARK LAZENBY:

Ahoy All! After several years at CBM and one year with CBYC, I guess its about time that I contributed a little something to the good spirits and extended family of CBYC. My primary vice as Vice Commodore is to support the delivery of all club programs, assist the commodore, interclub relations, reciprocal agreements, officer of the week program, and the awards for the annual Awards Night.

I do not intend to go it alone, and I am looking for any assistance or comments that you may wish to offer. My first order of business is to solicit your input on new clubs to add to our reciprocal agreements list.

Mark

### KAREN FRANCIS:

Hi everyone! I'm the Social Chairperson of C.B.Y.C. Together with Colleen Hepburn and Carol Logan we are the Social Committee that organize

the social events that take place through the year. The main idea is to have fun and food, and we always seem to have lots of both!

To kick off the season we have the Annual Wine & Cheese Party at the clubhouse on Sat., May 8th at 7 p.m. This is a great chance to get together and celebrate the beginning of the boating season. So bring along a bottle of wine and we'll supply the munchies. We hope to see you there!

Other events to keep an eye out for include the Sailpast BBQ, Chateaubriand Dinner, some potluck evenings, pancake breakfast, and the Awards Night Dinner. So keep an eye on the Bulletin Boards and Mixer for the times and dates.

If anyone has any ideas or suggestions for social events, or would like to lend a hand give me a call to let me know.

Karen

### NEXT MONTH:

**HUGH WILLIAMS**  
(Fleet Captain Power)

## NEW FACES ON THE EXECUTIVE

### PHIL MORRIS:

I was born in England and lived there until 1979. Since then my wife Angie and our children Stuart Catherine

and Elizabeth have lived in Japan, USA and for twelve years in the Kingston area. Our youngest son Alistair was born while we were in the states.

We have always enjoyed boating and in England we lived on a house with moorings on the Oxford Canal, part of the extensive inland waterways system in England. Indeed if you look carefully at our current boat "Second Wind" you will see that she displays a plate "British Waterways Board Licensed Canal Craft" from our first boat "Furelise". In Japan there was not much opportunity for boating and it was only when we came to Canada we decided to take it up again. After one season of daysailing we bought our current O'Day 25. Catherine and Elizabeth have taken enthusiastically to sailing and have completed the CYA basic keelboat cruising level. I am helping Bill Learmonth with membership and mailing lists and doing what I can to assist Peter Dodd.

I would like to encourage new members from the Collins Bay boaters to join and participate fully in club activities. I would also like to promote the club on the Internet as more members "get connected".

Phil

### LLOYD MILLER:

SKOAL Sailors, SKOAL !

Though I'm an original CBYC member, I've managed to avoid the Draft til Jan'99, re: being a responsible member for important functions within the club. Newly retired, with no longer a First Mate, I'm expected to have time and energy to spare, well sort of. I have taken on Regalia with pleasure, hoping that members and friends will enjoy, and more importantly *purchase, use and wear* the new items that I am presenting. The spring kickoff Wine and Cheese social will be the first showing of the new products, bring your cheque books. Hub and Miche have a nice selection of marina regalia, embroidered sweatshirts and caps, I will try not to compete in their niche market.

My beloved Bayfield 29, "Creme de Menthe 2" is looking for a new owner, she has been replaced by a younger upstart Nonsuch 30U, (the quintessential gentleman's boat), their words, not mine!! Move over "Accounted For", I'm now a few inches beamier....

Over the years I've come to know many boats by their names, occasionally meeting the owners away from the dock, putting the two together mentally only seems to last a few days; can we in future articles use the two names together to set the connection, e.g. Colleen and George Hepburn (Lexington). Looking forward to the new season and the new and old friends (boats and sailors) that will accompany it.

Lloyd
