## COMMODORE'S CORNER

It was great to see so many members at the Wine and Cheese party on launch day! In addition to catching up on the winter news of old friends, we welcomed three new families to CBYC: Margaret and John Giles, Pat and Ted Hewitt and Ursula and Mike Connal. Karen Francis, assisted by Colleen Hepburn, arranged for all the snacks at the party. Thank you both for a wonderful job!

By the time you read this newsletter, the first cruise of the season, the O.J. and Bubbly, will have taken place. Thank you Chuck Francis for kindly offering to host this event! As I write, I am praying for warm weather for participants!

The weekend of June 17 - 18 will be a busy one at the Club. Saturday is the date of the annual Amherst Island Race. This is a terrific way to spend a Saturday in June! Please see information elsewhere in the newsletter for details. Be sure to mark Sunday on your calendar - the annual Sail past and Family Day picnic. Decorate your vessel and join in the fun on the water and afterwards on the lawn. (Please note a departure from recent Family Day picnics: this one will be a true picnic! Bring all the food you need for your family and crew). The club barbecue will be set up on the lawn, but there will not be any food for sale!)

What would June be without the Easter Seals Regatta on June 24? CBYC had a great showing in this event last year. Further information and entry forms will be posted in the clubhouse. For more information, call Jane McMillan at the Easter Seals office 547-4126.

Fair sailing.

## Stop-Press -OJ & BUBBLY CRUISE

The annual OJ & Bubbly cruise was held on the long weekend in May. A hardy band of four crews turned up for the Saturday night at Cedar Island and enjoyed a splendid fish fry by Chuck Francis and the traditional OJ & Bubbly breakfast on Sunday. As you can see from the "summer attire" the weather was not co-operating but everyone enjoyed getting out finally. A full report will be published next month including how *Stardust IV* was fired upon by *Equinox*.

## CRUISING CALENDAR 2000

Last year the cruising events were very well attended and enjoyed by all. Let's make this 2000 sailing summer equally successful. ## SAILPAST AND FAMILY DAY

The sail past and Family day will be held on Sunday June 18<sup>th</sup>.

The Fleet Captain plays host to the Commodore for her annual taking of the salute from the assembled vessels. The review as in past years will commence at 1 PM, at a point just past midway out Collins Bay. A course will be set, the Commodores host vessel will be anchored, the boats will go once around the course to familiarize themselves, preferring that the smaller vessels lead the way, followed likewise by the medium sized and lastly the largest boats. It is hoped that the weather will be favourable enough that the sails may be used. The power fleet is encouraged to come out en-masse, it would be a pleasure for the Commodore to review a full compliment of all the vessels from the CBYC. Please fly all your Colours, its a festive occasion and prizes are awarded. A short meeting will be held in the clubhouse at 12:15 PM for skippers for instructions and any last minute changes to the schedule, see you there. Encourage your dock neighbors to join in the fun of our only ritual!

## RACING NOTES

Some of the feedback that we have been getting in regards to new ideas for the racing season has been positive.

These include the notion that two shorter races on Thursday nights would be better than the one longer race as was done in the past. One

or two new marks have been suggested that would offer different courses as well as a slightly longer starting line.

Don't forget that Racing at CBYC will only be as good as we let it be, It's up to us to keep it fresh and exciting so please pass any suggestions that you have on to the Race Committee.

Thursday nights 18:00 hrs (or 6:00 pm to you landlubbers\*) is the starting time

The Amherst Island Race will be held on the 17th June. Stay tuned for details posted in the clubhouse

See you on the course

*Carmen Knapp, Race Committee Chair 389-9452*

## FROM THE ARCHIVES

### Did you know...

that the first OJ & Bubbly Cruise was held May 17-19, 1986 at Milton Island via Confederation Basin and was an invitation from Bill & Corinne Worthy to celebrate their anniversary with a champagne brunch? Such a great time was had by all that it became an annual cruise on the long week-end in May with a stopover in Confederation Basin for breakfast at Morrison's and a visit to the Farmers' Market before moving on to Milton or Cedar for the week-end. Many great memories and stories have accrued over the past 15 years and it still remains a popular cruise for members.

Thank you to Peter Dodd for the pictures from Cedar Island last year. Did anyone take pictures at the Wine & Cheese or this year's OJ that could be put in the photo albums? Please send them to Judy Adams via mail or Michelle or a member of the executive.

*Judy Adams, Club Historian*

## INTERDOCK CHALLENGE

At the Wine & Cheese on May 6th, Barb Yates announced that the position of Social Chair was vacant. She requested suggestions on how to address the issue.

Well, C dock has a come up with an idea for resolving this dilemma. We have offered to host the annual Awards Banquet. Judy Greer of Lapis will lead the effort and will organize her team of willing dockmates to tend to the various tasks for this annual end of season wrap-up.

We would like to issue a challenge to other docks, to follow suit and volunteer to organize an event such as the Annual General Meeting in January. (Perhaps some of the less populated docks can get together) Last year Karen Francis organized a number of events which were well attended and enjoyed.

If you would like to organize something which has already been done, e.g. a breakfast, speak up! If you have an idea for something new, just say so!

Barb Yates would appreciate a phone call or email from any interested parties.

## D-BRIEF

A few short notes on the denizens of D dock.

**Joan and Dave White** (D19) travel from Orleans, and for five years sailed on the Ottawa River. After buying a larger sailboat, they are looking forward to a great season of sailing this year on **Gibwanasi**. Gibwanasi means 'Osprey' in Ojibway. Joan has successfully recuperated from her cancer operation so and they plan to soar all around Lake Ontario. Collin's Bay Marina was recommended by a friend and Joan and Dave are glad they took that friend's advice.

**Orla and Dale Murfield** (D12) like Collins Bay Yacht Club because it's close to home and the people are friendly. In the past years, they spent a lot of time exploring the Great Lakes. They find the sailing is great around here and plan to investigate the secrets of Lake Ontario this year on **Duck Soup**.

**Joan and Ken Lee** (D6) travel to Collins Bay from Nepean. They sailed their boat **Kudlik**, in the Ottawa area for eight years before moving to Lake Ontario. After trying one of the marinas east of Kingston they discovered that CYBC was the best place to be! By the way, Kudlik is Inuit for 'Morning Light'. Talk about keen sailors! They were first in the water with the mast up.

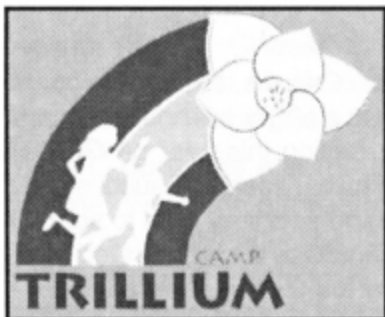

**Lorie and Angie Simone** (D8) have been members for five years and feel Collins Bay is the best marina around. Lorie would like everyone to know his triple heart bypass operation was very successful and he and Angie plan to tour around the lake this summer on their **Revelation**, their 30' Nonsuch. They can be on their boat quickly since they live only 1 minute, 40 seconds from the marina, and that's without spinning the wheels.

**Karl and Allison Parker** (temporarily on D14) are from the Montreal area and belong to the Hudson Yacht Club. They want to experience this area for a while and Collins Bay was a convenient spot for this trial as it is just minutes from where they purchased their new power boat **Par Coeur II**. After this short trial they will decide whether to stay permanently or not. Can we convince them?

*Joan White D19*

## SUPPORT CAMP TRILLIUM

Camp Trillium provides camping experiences for children with cancer and their families, in a safe environment with medical support as needed. Often this is the only break these children and their families get while in treatment. As a family who has been through the ordeal of childhood cancer we know from first experience the relief, security and fun that this organisation provides. The eastern Ontario camp is located at Garrets Island on West Lake near Picton. Many water related activities are organised including sailing. A number of sailboats have been donated but

upkeep is a problem and many boats are out of commission for want of minor repairs. In late May, with the approval of your executive, a group from CBYC are going to the Island to access what can be done and we will be looking for volunteers to help with fixing up the fleet. So if you can spare a day or two to help out this very worthy cause (and have some fun as well!) please call Phil Morris (634-7462) or check the board outside the clubhouse in early June.
