COMMODORE'S CORNER

Welcome to another boating season. Your Executive has been hard at work preparing to make 2002 another great season! whether you are a sailor, power-boater or between boats.

Saturday May 4th sees the first Social of the year the annual Wine and Cheese party, you bring the wine and we will supply the snacks. This event is being organized by the "C Dock Crew". There will be a raffle with the proceeds going to the clubhouse flotation project. Yes, if you haven't noticed "SS Maria" has developed a list and has required temporary assistance to maintain flotation. This year a major club project will be to renew at least a portion of the permanent flotation.

The first cruise of the season - the always enjoyable, if sometimes chilly, OJ and Bubbly Cruise, takes place on 18th May to Cedar Island. For new members and old this is a great ice-breaker (hopefully not literally!) to start the cruising season.

A number of cruises are planned this year so watch the Mixer and the notice board for more details.

On 22nd May the Spring series of Thursday night club races starts. The evening races are a great way to hone your sailing skills as skipper or crew. So, if you haven't raced before, why not come along and join in?

The Safe Boating Week event is being held at CBM on 25th May. A CBYC boat will be demonstrating Crew overboard procedures that day. As part of our commitment to boating safety we also hope to hold a seminar on crew overboard recovery early in the season - watch the mixer and notice-boards for details.

The Sail past and Family Day Picnic will be held on 8th June this year and Merv Cameron and members from D dock are coordinating this event.

This year we were unable to secure a volunteer for the Social chair so we are looking for a team to organize the remaining major social event of the season, the Awards night Banquet in

November- let me know if you are willing to take this on.

The Easter Seals regatta will be held on 22nd June. CBYC has always been a major participant in the event at KYC and this year we again plan to walk off with the trophy! John Giles is coordinating our participation in this event so contact him for more details.

Brochures for the Sailing School are available from the Marina or call Al Pilon (230-6311) or Susan Knapp (389-9452). This year we are running courses to meet the CYA White Sail I-III, Bronze I-V and for adults, the CYA Basic Cruising (keelboat) Standard. The new Hunter boats were a great success in attracting students last year and we look forward to more successful sessions this year.

Finally we are planning to launch a web-site for CBYC this year. Most Yacht Clubs are "on the web" and it will be a good source of information about upcoming events, race results, membership matters etc.

Collins Bay Marina has graciously offered to host our site on collinsbaymarina.com and we hope to get started on some of the key pages within the next month.

The 2002 summer season has begun! We started launching boats April 10th the earliest ever! Our illustrious Commodore's boat was among the first to be back in the water.

We and our staff are very excited to welcome all of our old acquaintances and new ones. The Marina is in good hands with Ian Whitfield and Chris Messerschmidt in charge of projects and general maintenance and Henry Fierz operating the crane. Our Dock Attendants, Andrew Lloyd, Todd Steglich and Ryan Edwards will also be with us again this summer. We are pleased to announce that Helen Gemert has joined us as our new Office Receptionist. Helen is an avid kayaker and hiker who loves travel and adventure. She has even travelled the entire length of the Amazon River by boat. Alice De La Plante has returned to assist Michele with landscaping, office duties and child care. Christine Glentz has finished her schooling and will be doing some travelling this year. Kathie Jackson, who helped us out in the fall, has moved on to pursue other ventures. We will miss them both and wish them all the best in their future endeavours. There is good news on the water levels front. The water level is currently above average and is forecasted to remain that way for the season. Last year's dredging project will ensure that boaters will have plenty of water even into the late fall. Remember to call the Marina Office to book your launch date. We are looking forward to all the fun Club activities this season. See you at the Wine and Cheese!

FLEET CAPTAIN

Have you checked your?

Spring is here and soon we will all be focussed on getting out on the water. Now is a good time to check out the safety equipment and make any repairs and replacements that might be found necessary.

First-aid kit,

Fire extinguishers,

Flares,

Safety harnesses,

Anchor light battery,

An up-to-date list of emergency phone numbers

Safety Demonstrations

How many of you have actually fired flares, discharged fire extinguishers, or conducted a crew overboard recovery? Of course, we all hope that we never have to do these things for real. However, everyone should feel confident about handling emergencies should they arise, and the way to become confident is through practice. Demonstrations of these items are in the program for this season, (See the program in the Mixer) and watch the notice boards for more details.

Remember that safe boating equals happy boating!

Able Sail Program

Volunteers Needed for OSA Able Sail Program

This summer KYC will be the home of an exciting new sailing program for children and adults with physical disabilities. The program will use two Martin 16 sailboats and an Access dinghy on loan from the OSA Able Sail Program. Classes will begin on August 12, 2002 and will run for 3 weeks. An estimated 18 children and adults will have the wonderful opportunity of leaving their wheelchairs at the dock and completing a five day sailing course.

This year Kingston will also host the Mobility Cup at Portsmouth Olympic Harbour (August 27-30, see www.mobilitycup.org). This regatta is the National Championship for disabled sailors and is expected to attract over 60 sailors from all parts of Canada and the World!

We are looking for volunteers who would be willing to spend some time with these eager new sailors. If you are interested in becoming involved with the Learn to Sail Program or would like to help out with the Mobility Cup please contact Jenny Molson at 542-2813.

Sailing Instructor Required for Adaptive Sailing Program

We are looking for a sailing instructor for our new learn to sail program for disabled junior and adult sailors. This adaptive sailing program will take place in August, for three weeks beginning August 12th (weekends free) at KYC. We require someone with experience teaching sailing, although OSA/CYA level not important. Previous experience with disabled individuals preferred. Salary is approximately \$600 per week. Interested persons please apply to Jenny Molson 542-2813, jennym@nkchc.com or Martin ten Hove 544-3310, tenhove@post.queensu.ca.

CRUISE

O.J. & BUBBLY CRUISE

The O.J. & Bubbly cruise will be held once again on the May long weekend, Hosted by Gary and Carol Logan and Chuck and Karen Francis Boats leaving on Friday afternoon will meet on Cedar Island for a happy hour and an evening of tall tales and socializing. Usually R.M.C. treats us to a fire works display as well! Boats joining on Saturday will meet us for a happy hour and a fish fry (for a nominal fee to cover costs.)

Sunday morning will a potluck breakfast with the traditional O.J. & Bubbly.

We need to know the numbers for the fish fry so please let me know if you are coming before Wednesday May 15th.

This cruise is weather dependent, if the forecast is too cold, wet or both, it may be cancelled.

RACE REPORT – Malcolm Stott

CBYC holds races every Thursday evening during the season and also distance races on several Saturdays. All our welcome whether seasoned racer or beginner. We very much hope that some of the higher handicap (slower) yachts will consider racing this year. If we have three or more with PHRF of

200 or more we may be able to give them a class of their own, perhaps with separate start, or shorter course.

Thurs. night series:

- ♦ SPRING May 23 to June 27
- ♦ SUMMER Jul 4 to Aug 08
- ♦ FALL Aug 15 to Sept 19
- ♦ First long distance race is the Amherst Island on June 15th

SAIL TRAINING

CBYC operates a summer Sail Training Camp that caters to youth and adults alike. Two week sessions starting on 2nd July until 13th August, or evening lessons for those who work will give you the ability to take advantage of Kingston's beautiful sailing environment.

The program is designed by the Canadian Yachting Association to train from beginner to advanced levels. Each student advances at their own pace and universally recognized certificates are awarded for each level achieved.

The camp is situated on the grounds of Collins Bay Marina with sailing on Collins Bay providing protected waters and good breezes. Beginners train in our new fleet of Hunter 140s.

Collins Bay Sail Training Camp is a non-profit organization. It has been operating for a number of years and graduates 60-70 sailors per year. Many of our students return for upgrading in subsequent seasons.
