COMMODORE'S CORNER

Already the boats have been in for several weeks and as I sit down to write this the forecast is for **snow** tomorrow -such is Canadian boating!

The wine and cheese was a great success and a chance to meet old and new friends. Thanks to the "C -Dock crew for organising and operating a great season starter. The raffle raised over \$190 towards the clubhouse flotation.

By the time this is published the first cruise of the year the OJ & Bubbly will have taken place, the Boat safety event will be completed and the spring series races will be underway. I am only sorry I won't be there to participate but am helping a friend bring his "new" boat home over lakes Huron and Erie.

I will be back for sure before the family Day and Sail-past on

8th June this year so come for the Sail and Power past and join the family fun afterwards. We also plan to arrange a fire extinguisher and flare demonstration so hang on to your outdated flares and bring them along.

On 15th the first long distance race -around Amherst Island will be held.

The Easter Seals event is on June 22nd -contact John Giles for more information.

We have started on one major project for this season-the CBYC Website and hope to get the first pages on the Collins-baymarina.com site later this month.

Thanks to a new member Linda Bimson for volunteering to organise the Awards night Banquet. We are investigating an exciting new venue for the Banquet and details will be announced shortly.

Finally your executive has been considering a proposal to make a bid later this year to hold the Eastern Yachting Conference at Collins Bay in 2004. This is a regatta of boats from Clubs from the eastern end of the Lake and involves a series of races and social events. We believe that a successful event would bring prestige to our club and put us on the map. We have a team developing a detailed plan for hosting the event and before we make any proposal we will be publishing it in the mixer and seeking the support of the membership both in principle and through volunteering (insofar as anyone can for two years hence) for tasks. More details next month.

Enjoyable and safe boating

Phil Morris

Commodore

It is wonderful to see so many boats in the water - summer is here at last! You will notice a number of new boats staying with us this summer. Our new boaters often comment on how friendly everyone is – thanks to all for the warm welcome to these new members.

Various Collins Bay Marina staff will be taking the VHF Radio Communicator exam on Tuesday June 11, 2002, at 5:30 pm. It will be held in the Clubhouse and anyone who is interested is encouraged to join us. Contact Paul Rushton at 547-9966 to get your study materials. The cost is \$50.00 per person. (\$30.00 for the book and \$20.00 for the exam.)

The National Safe Boating Event we hosted on Saturday May 25th was a great success! As a member of the Safe & Sober Community Alliance, Collins Bay Marina has hosted this event for the last several years. This year was the biggest ever as a crowd of a couple hundred people were here to enjoy the day.

CBYC supported us by organizing a Crew Overboard Drill. Carm Knapp and his Stardust IV crew (Gary Logan, Mike Miles & John Skorpada) performed the COB Drill with swift precision! Stardust IV's first pass demonstrated how to pick up a conscious survivor. A second pass showed how to

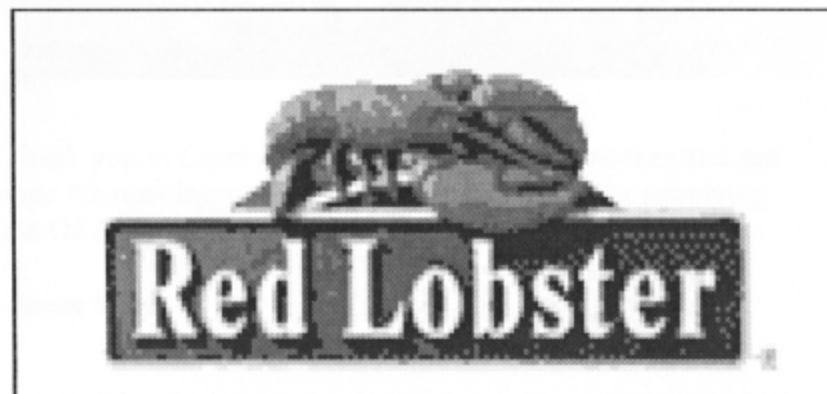

retrieve an unconscious person. The demonstration was narrated by our Commodore, Phil Morris. A big thanks to Merv Cameron for organizing the drill.

The Search and Rescue Helicopter demonstration was absolutely fabulous! First, the helicopter dropped a diver into the water 500' west of the break wall. Then it circled back and picked up the diver using a basket on a winch cable. The second rescue was particularly interesting. The helicopter dropped a diver again, circled back, landed on the surface of the water and motored around like a motorboat. It motored right up to the diver who was helped into the door by rescue crew. Spectators were awed by the power and agility of the Labrador Helicopter as it performed its manoeuvres. As someone in the audience said, "it was totally cool!"

Another part of the event saw the OPP christening the new E.V. McNeil II in a formal maritime ceremony. We are proud that the E.V. McNeil II will be calling Collins Bay Marina her home port this summer.

The Safe Boating event was a great way to kick off the season. We wish you all a safe and fun summer!

- Hub, Miche, Mya & Landon

Karen and the O.J. & Bubbly Fleet!

Cruise

This year the OJ & Bubbly Cruise was a cruise of different sorts. The weather for May was not the best and many a boat were not ready to set sail on that weekend. As the weekend rolled around the forecast was for the usual - cold, overcast and rainy. However that did not deter Chuck and I from heading out to Cedar Island late Friday afternoon. We had a nice cool sail down to Cedar Island and believe it or not we were the only boat there! Later on that evening we were treated to a parachute display and fireworks courtesy of R.M.C.

After spending a chilly evening on Cedar Island we had a lovely sail back to Collins Bay where we met the rest of the OJ & Bubbly Cruisers. Onboard the S.S. Maria the fish fry took place and a good time was had by all. Thanks once again Chuck, as usual the fish was great! All in all this unusual cruise was quite successful and brightened up a dreary weekend.

Thank you to Carol & Gary for cooking up pancakes and sausage the next morning, and to Connie & Ernie for supplying the OJ & Bubbly.

Karen Francis

MEMBERSHIP UPDATE – June 2002

Renewals:

The May 1st deadline for a discounted membership fee has passed. Memberships are \$80.00 per year for renewals. To ensure that your membership in the club does not lapse, please submit your membership renewal and fees before **July 1, 2002**. A listing of all members will be sent with the July Mixer.

New Members:

To date we have 10 new members. That's more than a 10% increase in our membership! A list is enclosed in this edition of the Mixer. Ensure you make our new members welcome and don't forget to spread the word about our club to prospective members. Membership forms are available in the clubhouse or by contacting me.

Regards,

Joan Legris

Membership Chairman

Collins Bay Yacht Club

Henk trying the "impaired reality" goggles.

No difference really.

FLEET CAPTAIN

FAMILY DAY

Plans for Family Day (8 June) are progressing, and posters announcing the event are now up on the clubhouse and washrooms notice boards.

For the sailpast, members are encouraged to decorate their boats with flags and any other bright (as in festive) ideas that your crews come up with. A prize will be given to the boat chosen by our mystery judge to be the "best dressed" of the fleet. This prize will be presented sometime during the BBQ. The sailpast will begin with a brief skippers meeting in the clubhouse at 1200. Skippers intending to go in the sailpast are requested to notify Merv Cameron (Sueno) so that an orderly sequence of boats saluting the Commodore may be arranged.

D dock members are getting in the mood to manage the BBQ which will start after completion of the sailpast. Hamburgers, hot dogs, salad, and soft drinks will be available.

Those perennial entertainers, Tom and Tim Worthy will be on hand to look after the children's program.

With what is hoped will be a large number of member present, we will take the opportunity to demonstrate fire fighting and flare firing procedures. It is also hoped that members will take this occasion to practice the procedures using their old flares and fire extinguishers.

Now all we need is a warm day! See you there.

Merv Cameron, Fleet Captain

EASTER SEAL REGATTA 2002

Don't forget to mark your calendars for the Easter Seal Regatta being held Saturday, June 22nd, 2002 at KYC. Last year the event raised more than \$65,000 for children with physical disabilities in our community. It is a great event, both for the Easter Seal Society, as well as from an interclub relations perspective.

How do I get involved you ask? Simply obtain at least one \$300 sponsor whose name will be on a banner that you display on your lifelines throughout the day, including the fun race and sailpast. There is a fundraising incentive program for skippers. Those bringing in two sponsors will receive a cooler bag, four will earn a folding camp chair, all the way up to 20+ earning a Storm-Tek 3-in-1 jacket. There are prizes for the best dressed boat and the best dressed crew. Race results are always a surprise after being adjusted through effective use of the "Bribe Bucket", which CBYC has used very successfully in the past. As a club, we pooled our resources to help the CBYC boat with the best time in the preliminary results, move to the winners circle.

As a boat owner, you're entitled to overnight mooring at KYC (overflow at Confederation Basin), a regatta T-shirt, two invitations to the Friday night pre-race reception, and tickets for your crew to attend the post-race party and ceremonies. Registration forms will be available in the clubhouse and at the marina office, or contact the Easter Seal Society at 547-4126.

CBYC members have been invited to stay over at KYC for racing on the Sunday (contact Roger Tattersall, Sailing Director, KYC race@kingstonyachtclub.com if you are interested).

John Giles

Smooth Sailing for your Financial Future

SOCIAL

Wine & Cheese – May 4, 2002

On Saturday, May 4th, CBYC held their season's first social aboard the *S.S. Maria*. About 75 people came out to enjoy a glass of wine, see old friends and meet new ones. Our Commodore was kept busy welcoming new members and we look forward to seeing them again at upcoming club activities.

The event was hosted by "C" dock who put together a "Summer Fun" raffle basket which was won by Larry Norman (*Slinge II*). Collins Bay Marina donated a stainless steel thermos which went to Carol Martin (*Different Drummer*). Proceeds to the "CBYC Clubhouse Re-flotation Fund".

Thanks to everyone for their support, especially Carol Logan (*Sabrina IV*) who provided the food, Hetty Beerman (*Sweetwater*), the "salesperson extraordinaire" and the clean-up crew, Al and Marilyn Pilon (*Scaramouche*) and Hetty.

RACE REPORT Malcolm Stott

CBYC holds races every Thursday evening during the season and also distance races on several Saturdays. All our welcome whether seasoned racer or beginner. We very much hope that some of the higher handicap (slower) yachts will consider racing this year. If we have three or more with PHRF of

200 or more we may be able to give them a class of their own, perhaps with separate start, or shorter course.

Thurs. night series:

- ♦ SPRING May 23 to June 27
- ♦ SUMMER Jul 4 to Aug 08
- ♦ FALL Aug 15 to Sept 19
- ♦ First long distance race is the Amherst Island on June 15th

SAIL TRAINING

CBYC operates a summer Sail Training Camp that caters to youth and adults alike. Two week sessions starting on 2nd July until 13th August, or evening lessons for those who work will give you the ability to take advantage of Kingston's beautiful sailing environment.

The program is designed by the Canadian Yachting Association to train from beginner to advanced levels. Each student advances at their own pace and universally recognized certificates are awarded for each level achieved.

The camp is situated on the grounds of Collins Bay Marina with sailing on Collins Bay providing protected waters and good breezes. Beginners train in our new fleet of Hunter 140s.

Collins Bay Sail Training Camp is a non-profit organization. It has been operating for a number of years and graduates 60-70 sailors per year. Many of our students return for upgrading in subsequent seasons.
