Sub Committees		
-Historian	Judy Adams	389-1812

COMMODORE'S CORNER

Family Day was a great success The Sail past went well although there seemed to be some differences of opinion as to the beam on which to pass the Commodores boat. This had me stepping lively on the foredeck!

Judy Adams kindly judged the best dressed vessel award which went to a bunch of Pirates on Guanahani bearing a strong resemblance to Don & Marnie McNeeley and friends who also fired upon the Commodores vessel! Thanks to Hub & Miche for providing the prize of a Collins Bay Marina blanket.

Fun and games for the children were again provided by the Worthy family and a hands-demonstration of fire extinguishers was give by Jonathan Watson

and McMahon's Fire Protection . Merv and Marion Cameron organised the event. Thanks to all of you for making it an enjoyable and instructional event and to all who attended who did not comment too critically on my culinary skills at the barbecue!

The Amherst Island race was held in worsening weather with strong winds, heavy seas and heavy rain causing one boat after another to abandon the race and head for home. All credit to the racers for prudent decisions. One boat was surfing hitting seventeen knots on the return through the upper gap! The race will be re-run on Saturday August 17th.

Easter Seals was again a success with three boats from CBYC, Sabrina IV (Gary and Carol logan), Stardust IV (Carmen & Susan Knapp) and Wavelength (Phil & Angela Morris) and an "honourary" new Hunter 356 carrying John Giles. Gary sailed Sabrina IV to a victory in the white sail class both before and after PHRF bribery so the honours return again to CBYC Stardust IV was 3rd and Wavelength 4th. On Sunday after the event the CYA yacht Cynergy and the Hunter 356 were at Collins Bay Marina with open houses. I took the opportunity to present the skipper of Cynergy with a CBYC burgee so our burgee will be seen around the lake flying on the CYA boat.

In this edition of the Mixer is a proposal to apply to host the Eastern Yachting Conference in 2004. It has the support of the executive and the Marina but only if the membership agrees to support it and volunteer help (at least in principle given it is two years hence). Please read the proposal over and contact Bill Visser or any member of Executive with your thoughts or opinions.

We have secured an excellent venue for the Awards banquet the Senior Staff Mess, CFB Kingston located on the water, West of Fort Henry.

Thanks to Joan Legris for the suggestion of the Mess and the initial contact and to Linda Bimson for taking on the organisation of the banquet.

Enjoyable and safe boating

COLLINS BAY MARINA NEWS

Summer has arrived and so have our summer hours.
Our hours of operation are:

Gas dock: Mon - Thu 8 - 6 Fri - Sat 8 - 8
Sun 8 - 7

Office: Mon - Sat 9 - 5 Sun 11 - 5

The new dock embuttments and ramps have been installed on the beginning of each dock. They are designed to secure the docks in place, adjust to the changing water levels and allow for ice movement. We also planted new vegetation along the shoreline to reduce erosion and improve the appearance of the shoreline. The washrooms received a fresh coat of paint both inside and outside. Thank you to everyone for being patient during the process. We are proud to be continually maintaining and improving our marina - we do it all for you!

Collins Bay Marina has just been re-audited under the Clean Marine Eco-Rating Program. We are pleased to announce that we have achieved an Eco-Rating of four anchors! On the forefront of this important initiative, Collins Bay Marina is the only marina in the area to receive an Eco-Rating. Our success in this program could not have been achieved without everyone's commitment to our environment. We would like to thank you all for your participation in making the

difference. We will enjoy the rewards of a healthy environment not only today but for many generations to come.

The Nonsuch Rendezvous 2002 will be held in Kingston, July 7-13. We are honoured to host the Nonsuch gathering on July 9, for lunch. As many as 24 boats will be arriving around noon and will be here for the afternoon.

We are pleased to announce that the 30' and larger docks are full to capacity! As such, it is more important than ever to sign out your slip when you leave so we can accommodate visiting boaters.

It was wonderful to see so many of you come out to support the 2002 Scotia McLeod Easter Seal Regatta, at the Kingston Yacht Club on June 23rd. Congratulations to Gary Logan and the crew of Sabrina IV for winning the bribe bucket race! The event brought power boaters and sailors together from across Ontario to raise funds for children and young adults with physical disabilities.

- Hub, Miche, Mya & Landon

GO OVER BOARD!

Summer Lobster Festival starts July 8th
410 Bath Road

E.Y.C. 2004

As reported in the June MIXER, your Executive is planning to put forth a bid to host the 2004 Eastern Yacht Council (EYC) Annual Regatta. This event will bring prestige to CBYC as a host location for this and future events, as well as put Collins Bay on the map as an Eastern Lake Ontario sailing destination. The Regatta is scheduled for Thursday, July 8 through Saturday, July 10. The volunteer support of CBYC members is key to ensuring we meet our goals of not only hosting a memorable event, but bringing no financial burden to the club.

There are three distinct phases to this event: Planning, Development and Execution. The **Planning** phase runs from now until our bid is presented in April 2003. During this time we will work on the details of the plan in order to truly understand what is needed to make the event a success. This includes researching required permits, identifying required property changes, training Race Committee and Protest Committee staff, and sorting out sponsorship requirements to ensure the financial success of the event.

The **Development** phase is April 2003 through April 2004. During this time we will attend to long-term preparation needs, line-up sponsors, begin promoting the event amongst sailors, as well as obtain firm commitments from volunteers.

The final phase, **Execution**, is April 2004 through April 2005. This phase requires the most active support from CBYC volunteers. During this time we will finalize last minute details, confirm sponsorships, actually run the Regatta and perform post event duties, such as clean up, report preparation and financial reconciliation. While the Regatta itself is one week in July 2004 for most volunteers, there will be follow up activity for some of the organizing committee members.

As noted earlier, this event is being planned with the understanding that it must pay for itself -- that CBYC will not be left with a debt as a result of this event. Much planning is required to ensure we meet this goal.

Our immediate need is for volunteers to help with planning and promotion. Required skills include legal (to help interpret Municipal By-laws), corporate writers (to help put together sponsorship proposals), people with Food / Beverage and Entertainment backgrounds and people with access to print services.

Finally, it should be noted that one of the goals of the EYC 2004 committee is to re-invest in our membership base. Therefore, if any member has business services that would be of benefit to this event, please contact me to discuss your support and sponsorship.

Thank you in advance for your time and support. Keep an eye on the MIXER to get more information as we move forward with this fantastic Regatta.

Bill Visser, **Whistler** Dock F23

Editor's Notes

If you would like your Mixer delivered to your boat please let us know and we will happily save the postage!

Your personal boating stories etc will happily be accepted for future mixers!

Karen & Chuck Francis

EASTER SEAL REGATTA 2002

The 2002 Regatta was another great success. Through skippers, boat sponsors, silent auction, raffle, food & bar sales and the infamous "Bribe Bucket", over \$55,000 was raised for area children with physical disabilities. This brings the 6 year total to over 1/4 of a million dollars...\$286,000! That is a lot of money from Kingston donors and volunteers!

CBYC was represented by Commodore Phil Morris on *Wavelength*, Carmen Knapp on *Stardust IV*, a combination entry comprised of Chuck Francis' crew from *Eclipse* sailing with Gary Logan's crew on *Sabrina IV*, and boatless Past Commodore John Giles who was able to commandeer *Osprey*, a Hunter 356, from a couple enroute from Toronto to Ivy Lea.

The "White Sail" race was won by *Sabrina IV*, both officially under PHRF handicap, and after abundant use of the "Bribe Bucket" by some deep pocketed challengers who were unable to knock *Sabrina* off the podium. Thanks to everyone who helped keep her there. Third place went to *Stardust IV*.

The "Best Dressed Boat" was won by the lobsterheads on *Sabrina IV* with help from Chuck Francis and the Red Lobster restaurant.

The races were well run and the day was great. Our hats are off the organizing committee and the Easter Seal staff.

Next year, Trident Yacht Club will be joining KYC and CBYC in the fun and camaraderie for a two day regatta. Consider coming out

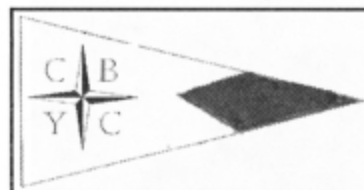

From The Archives

Club Burgees

The club burgee was designed by our first commodore, Bob Wright, establishing the compass rose with CBYC as the club logo and blue and white as the club colours.

IN 1983, the special burgees below were introduced to designate the commodore, vice commodore and past commodores of our club.

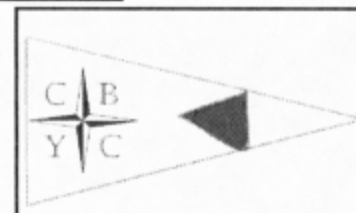

As a member of CBYC, fly your burgee proudly.

FAMILY DAY 2002

Family Day 2002 took place on the appointed day of 8 June 2002 in fine weather. Thanks to an enthusiastic group of volunteers from 'D' dock plus Judy Adams and Joan Legris, events of the day met the Collins Bay Yacht Club usual high standards.

The program started with a sail past in which 12 boats participated. Judy Adams judged the boats' presentation as they passed the Commodore's boat. The prize for the best dressed ship (and crew) went to **Guanahani**, Captain Don McNeely and crew, and was presented by Michelle Steenbakkers on behalf of the Marina.

The sailpast was followed by games for the children, with prizes for each event. The Dollar Store had items available which seemed to please the recipients. Many thanks go to Tim and Tom Worthy who returned, yet again, to conduct the games. While the games were going on, the BBQ was heating up and soon the Commodore had something hot and tasty on the grill for everyone.

Included in the afternoon's festivities was the celebration of Bill Worthy's 70th birthday. Nearly all his children, and all his grandchildren joined club members in wishing him many happy returns of the day.

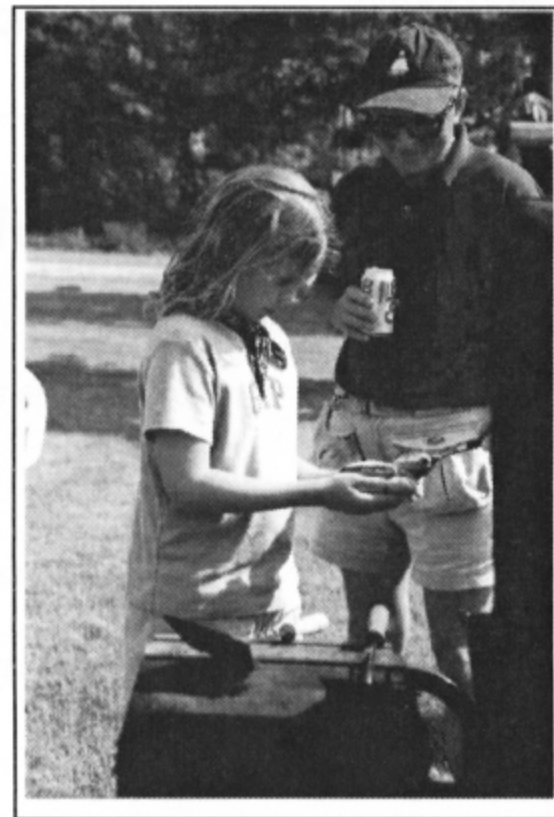

The serious part of the day consisted of a fire-fighting demonstration on the breakwater supervised by Jonathan Watson of Marine Surveys Inc. and Rick McMahon of McMa-

hon's Fire Protection. All spectators had an opportunity to put out a fire and have their own fire extinguishers checked. We are indebted to Jonathan and Rick for giving up their Sunday afternoon for our benefit.

Merv Cameron, Fleet Captain

Family Day Item 2

Diane Cameron took a large number of pictures during the Family Day events. These pictures may be seen by contacting Marion or Merv Cameron (Sueno – berth d28) and may be purchased at 50 cents each. Available at marina office for viewing during business hours.

RACE REPORT Malcolm Stott

CBYC holds races every Thursday evening during the season and also distance races on several Saturdays. All are welcome whether seasoned racer or beginner. We very much hope that some of the higher handicap (slower) yachts will consider racing this year. If we have three or more with PHRF of

200 or more we may be able to give them a class of their own, perhaps with separate start, or shorter course.

Thurs. night series:

SUMMER	Jul 4 to Aug 08
FALL	Aug 15 to Sept 19

Distance Races:

- ♦ SIMCOE Island - Sat Jul 27
- ♦ Re-Run Amherst Is. Sat. Aug 17
- ♦ PIGEON Island - Sat Sept 7
- ♦ FROSTBITE - Sat Sept 28

The racing season is well underway with the Summer Thursday Night Series starting July 4th. Some new boats are racing with us: at the fast end of things are Icarus (Steve Yates) and Synergy (Bruce Rand), and at a less frantic pace is Yoko Lintu (Bruce Anderson). Ten boats have been racing regularly but there is room for more at the start line. Contact Malcolm Stott if you are interested in racing your boat, or if you wish to crew.

The first of our long distance races, The Amherst Island Race, was held on Saturday, June 15th. Light shifty winds at the start settled into brisk southerly winds as the morning developed, the wind strengthened becoming strong and gusty by the western end of Amherst Island where there was a vicious chop. One by one boats retired anticipating conditions worsening on the south side of the Island, and no boat finished the race. A re-run of the Amherst Island Race will be held Saturday, August 17th.

No phone-in ads, please. Non-commercial ads only, please. For commercial advertising rates, contact the editor.

SAIL TRAINING

CBYC operates a summer Sail Training Camp that caters to youth and adults alike. Two week sessions starting on 2nd July until 13th August, or evening lessons for those who work will give you the ability to take advantage of Kingston's beautiful sailing environment.

The program is designed by the Canadian Yachting Association to train from beginner to advanced levels. Each student advances at their own pace and universally recognized certificates are awarded for each level achieved.

The camp is situated on the grounds of Collins Bay Marina with sailing on Collins Bay providing protected waters and good breezes. Beginners train in our new fleet of Hunter 140s.

Collins Bay Sail Training Camp is a non-profit organization. It has been operating for a number of years and graduates 60-70 sailors per year. Many of our students return for upgrading in subsequent seasons.
