<i>Sub Committees</i>		
-Historian	Judy Adams	389-1812
-Regalia sales	Ernest Muus (613)	-237-9391

COMMODORE'S CORNER

Another very successful season is drawing to a close. Just about any measure of the Club indicates we continue to improve and have a healthy future. Membership stands at record highs, more boats are racing and the Cruising and Social events have been exceptionally enjoyable and well attended. A big thanks to all who served on our Executive this year for jobs well done. For next season we will be looking for new Committee members to fill key positions such as Secretary and

Cruise Chair. If you would like to serve your Club in any capacity please let John Giles, Tony Johnson or myself know.

By now the Clubhouse will be back in the water supported by new steel floats. The lower part and decks been water sealed and re-stained. Much of the work has been done by members thanks to all who volunteered and a big thanks to the Marina for helping with design, float fabrication costs and lifting the clubhouse out and in.

The late season Labour Day Cruise to Waupoos, & Fish n Chips Cruise were both resounding successes with record turnouts.

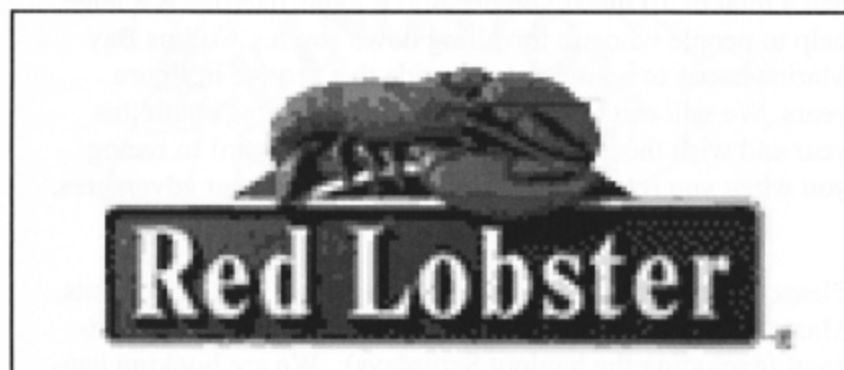

The final long distance race of the year was organized as a pursuit race to Bayfield Shoal (Just past Cedar Island) with a jog out to Simcoe and back on the return. Winds were excellent and the bunching of boats at the finish made for an exciting conclusion. Even the Coastguard vessel joined in the finish shortly after the fleet !

Don't forget our last Social of the year, the Awards Night Banquet (details are in this Mixer).

Have an enjoyable winter and a great 2003 Season.

Phil Morris

COLLINS BAY MARINA NEWS

Even though the fall is drawing near, there is a lot of activity happening at the Marina. We are busy building B dock, which will be ready for next year. Once again the design has been all in house and the craftsmanship is top notch. The new docks will be beautiful.

Members of the Collins Bay Yacht Club are working hard painting and preparing the steel pipe that will replace the Club-house floatation. It is very nice to see members pull together to achieve a common goal.

Our Mast Shipping to Catskill, N.Y. was very successful. We had a total of 10 masts shipped and it looks like this is a huge help to people who are travelling down south. Collins Bay Marina hopes to continue to provide this service in future years. We will miss our patrons who are heading south this year and wish them all the best. We look forward to seeing you when you return and hearing about all of your adventures.

Please remember to book your haulout date and requirements. Mast Destepping is available seven days a week by appointment (excluding the haulout Saturdays). We are booking haulouts Mondays, Thursdays and Fridays as well as the following dates:

Any Size	Saturday, September 28 or weekday (Mon, Thurs, Fri)
Up to 27'	Saturday, October 19 or prior weekday
28' - 36'	Saturday, October 26 or prior weekday
37' and up	Weekday (Mon, Thurs, Fri)

Boats up to 27' must haul by Saturday, October 19

We would like to take this opportunity to thank all of you for a great season. We look forward to seeing everyone next year

Cheers!

Labour Day Cruise – 2nd Annual – August 30 to September 2, 2002

What a turnout!! This cruise was the best yet – ever!!

Collins Bay Yacht Club was very well represented on the 2nd annual Waupoos Labor Day Cruise. A total of 34 member boats gathered for a long weekend of sun, fun, great food, fellowship, dancing and merriment.

After all boats were safely docked, a wonderful dinner was once more provided by Waupoos Marina's able staff. Over 86 CBYC members and friends enjoyed a hearty meal of roast beef and all the trimmings. Music was provided by the band "6 Feet Under" – and judging by the dancing into the wee hours – they were well received. A big thank you to the management and staff of the Marina. We will be back!!

Sunday dawned bright and beautiful and breakfast at the Marina provided an opportunity for more camaraderie and great sailing discussions. After breakfast, some took the opportunity to borrow bikes or borrow cars (thanks Joan!) to visit the Black River Cheese Company or to sample the wine at the Waupoos Winery. Most of the gang sailed for home or other ports on Sunday; however, those that stayed the extra day had another night of great meals and fun.

By the way - if you haven't seen the new restaurant at the Winery – plan to do so. They are open until Christmas (with reservations) and you will be delighted with the lunch or dinner menus available. Visit the Website at www.waupooswinery.com for more information.

At this time, we would like to thank Collins Bay Marina and their staff for providing an exceptional level of support for our cruises.

Hub and Mich, it is so gracious of you and your staff to help the club out as you do, collecting ticket money and providing information to our members about events, etc. We want you to know how much we appreciate all the extra's we get!! On behalf of the membership – thank you for your support!!

Have a great winter everyone – book your calendars now for next year's cruises. The 3rd annual Labour Day at Waupoos will be on the schedule!!

Norma and Dennis Read
Cruising Committee

Dinner at Waupoos

FISH AND CHIPS CRUISE – September 21, 2002

By Sea and by Land – the following gathered to participate in the last cruise of the season – Innisfree, Sueno, Cabernet, Sabrina IV, Eclipse, Yer Out, Pipe Dream, Wavelength, Yoki Lintu, Year 2000, Purrfection, Pirate Jenny, Clockwork Orange, Helen May, Tamara C, Stardust IV, as well as the Worthy's, the Hepburns, Joan, Judy, Woody and Judy and Mike and Walter.

Friday night it did not thunder and rain as promised so several boats headed to anchor at Stella or Pryners Cove. Saturday was wonderful with steady winds – one tack – and everyone arrived at Confederation Basin having enjoyed a great sail. The on-dock happy hour was well underway by 4:00 p.m. and what a variety of goodies were offered about!! Thanks Louise for the yummy smoked salmon and Renza – your elegant cheesy treats were much sought after. Thanks to everyone for their contributions to the success of the Dock and Talk Happy Hours.

We then sauntered up the docks to enjoy dinner at the Tir-Na-Nog. Boy can 46 hungry sailors ever get boisterous!! The full moon smiled down on all as some returned to their boats for nightcaps while others dispersed to various Kingston patios for music and fellowship.

Sunday morning many gathered at Morrison's for their famous quick breakfast before heading out for a gentle sail under sunny skies and unseasonably warm temperatures- a most fitting end to a successful cruising season.

Happy hour on the Fish & Chips Cruise

From the Archives

Coffee shop

Way back in the beginning, it seemed Bill (A) was spending every weekend during launch and haul out at the marina driving the truck for the crane. Since staying at home away from the action wasn't very appealing, I decided to take the coffee pot down to the clubhouse and make coffee for anyone who wanted to warm up while waiting or cleaning. Bill Steenbakkers put a sign on the crane door and Jerome Guindon suggested donuts ("The coffee's great, where are the donuts?") so the launch/haul out coffee shops became a tradition for many years. Many, many volunteers contributed time and new ideas and it became a real social gathering place. Alda Fairbairn introduced home-made coffee cake, a real hit which grew into a huge array of donated home baked goodies thanks to Florence Wagner and the new clubhouse. Under Maxine Cohrs organization, it became the place of choice to have lunch. With so many haul outs taking place during the week the coffee shops waned, However, everyone still spends considerable time on in-and-out preparations, so with renewed interest by some of the members and an OK from the executive, I offered to try a coffee shop again on **October 26**. Please pay us a visit.

Many thanks to : Carol Logan, Bill Stevenson and Alison Froese for pictures.

Judy Adams

CLUB HOUSE

The new floatation pipes have been painted and are ready to go under the clubhouse which is presently on land receiving a new coat of paint. I want to thank all those who painted the pipes, hauled all the furniture out of the clubhouse, and painted the decks and walls. Below is a list of our hard-working club members. I believe that this is complete to date. I apologize if I have missed anyone.

Tony Johnson	Bill Visser	Ted Hewitt
Mike Miles	Gary Logan	Ernie Muus
Phil Morris	Bruce Anderson	Norm Pothier
Dan Desgrosseilliers	Walter Miles	Dave Johnson
Renza Pelkey	Graham Hales	Geoff Roulet
Dennis Reed	Bill Stevenson	Neil Anderson

The work is not yet complete and I will soon have more names to add to this list.

Thank-you to Ted Hewitt for bringing his gas powered pressure washer for cleaning the pipes and thank-you to Hub and the Collins Bay Marina crew for all their help.

Racing Report

Our Pigeon Island race on Saturday 7 Sept, the last of the Fall Thursday Night Series, and finally the Frostbite Race on Saturday 28 Sept brought the racing season to a close. The Pigeon Island race started in light southerly winds with a promise of a good thermal, but the wind petered out leaving most of the 11 boats languishing at Pigeon Island. Only two boats finished the shortened course. Dave Wilby's Pride was first followed by Synergy. The traditional steak barbecue was held after the race hosted by the regular racers and with 65 people attending.

Honours in the Fall Thursday Night series went to first placed Synergy, followed by Icarus and then Simmac.

The Frostbite Race was a staggered start chase race from the Bay to Myles Shoal and back. Twelve boats raced in gusty north winds which made spinnaker work exciting. Yoki Lintu looked set for first place when her spinnaker halyard jammed near Simcoe Island. Bruce Rand's handicapping worked out well with several boats crossing the finish line within hailing distance.

Synergy finished first, then Simmac and Black Knight.

The Club Championship for 2002 based on the three Thursday Night series and our four distance races goes to Bruce Rand's Synergy. Congratulations Bruce! Icarus is runner-up, and Simmac third.

Malcolm Stott

Race Chair

The Collins Bay Sailing School had another very successful year with 70 students and 12 adults completing courses. In addition to the White Sail program for beginner sailors, we added the Bronze program to allow the White sail students to continue learning. We had three very competent and capable instructors in the person of Brad MacDonald, Amy Guest, and Julia Jefferson/Haynes and are hoping that all 3 will be able to continue with us again next year. Our loan for the purchase of the 4 Hunter 14's sail training boats will be paid off this year and we are looking to put some money into the Bronze program as well as the White Sail. It is possible that we will be looking for another coach boat and motor as well as an additional instructor/assistant for next years program. It is anticipated that the Bronze program will be run separately from the White Sail, but details are yet to be worked out. The 4 remaining petrels have been sold, as our fleet of training boats modernizes and improves.

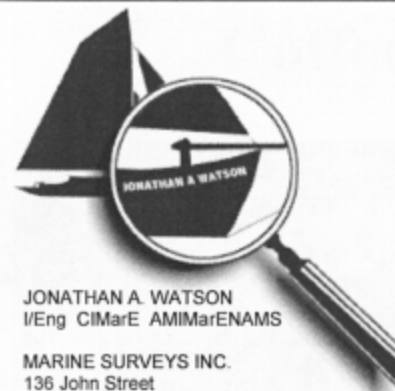

I would like to thank Susan Knapp for her many hours of dedicated work administering this program for the past three years. Susan will not be able to continue with us next year and we are currently looking for a replacement. If you or someone you know is interested in helping out the Sailing School, please contact either Susan or Al Pilon for an idea of the duties involved. We are hoping to have someone commit for a minimum 2 years, so there will be some overlap with the sail training director and thus more continuity with the program. Susan has developed a timeline of activities, which will give you a pretty good idea of the work involved. If you're interested, the job starts in January 2003.

I would also like to express my gratitude to the Collins Bay Marina and Staff for their assistance during the year, without that help and support, there would be no sail training program.

We are hoping to run several fund raisers next year to help out with the program, some will be short term and some will be ongoing for the entire sailing season. Some ~~our~~ ideas are to hold a spring auction/sale of new used equipment (similar to the flea market idea of a few years ago), T-Shirts with a sail training logo to advertise and promote the school, a collection site for refundable bottles/cans that we can return for deposit. If any of you have other ideas we would be glad to hear them, please call or e-mail me at (613) 230-6311 or scaramouche@rogers.com.

Again thanks to all the people who have assisted us over the past year and we look forward to another year of introducing people to the joys of sailing.
