CIVIC HOLIDAY CRUISE

Once again Dennis and Norma Reed have invited club members and immediate family to their home on Adolfus Reach for a BBQ and pancake breakfast.

Festivities start when you arrive on Saturday afternoon August second with a pot luck pork BBQ. Bring your salad, appetizer or dessert to share and the Reed's will provide the pork. (If you don't eat pork bring your own meat to BBQ). Cooler and ice for your beverages will be provided. Please bring your own plates, glasses and cutlery.

Sunday August third will be the pancake breakfast. Pancakes, sausages, OJ and coffee will be provided.

Cost is \$12.00 per person

Anchorage is off Lyon's Island and there is lots of room for dinghies on the Reed's dock. Land yachts welcome too.

Dennis and Norma need to know who is coming ASAP so please call them at 373-0288 before July 30th and let them know who is coming and what you are bringing for the pot luck. The sooner you call the better!

Cruise check list:

- Call the Reed's
- Pot luck item
- Cutlery, plate and glassware
- Bring your own beverages
- Get directions
- Have fun!

COLLINS BAY MARINA NEWS

Our docks just keep getting better!

- We retrenched and found the electrical distribution problem with C-Dock and have restored power to all of the outlets.
- Light / Power posts are going in to B-Dock, the new feeders are in from the main transformer and we are busy with our final connections.
- G-Dock is in the water and is already being enjoyed by a number of boaters, including a large herd of Tanzer 22's. Water and power distribution will be complete shortly.

We appreciate your patience during these improvements to the facilities. We are getting the dust behind us as quickly as possible.

Thank you for your cooperation in letting us know when you are taking your boat out of the Marina. It allows us to extend the overnight privileges to other boaters that make the reciprocal program work.

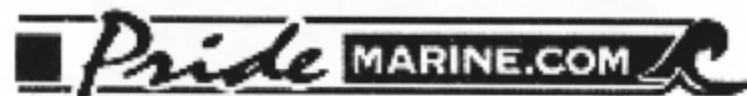

We would like to join the Club in welcoming Wayne and

Louise back home from the Bahamas on Mango and bid a Bon Voyage to Henry and Raquel who are sailing Cocoloco to Lake Superior and back this summer.

We trust that the safety demonstrations reminded all of you to check your boat for both common sense and mandated equipment. The Coast Guard will be visiting on weekends to do courtesy boat inspections. *Safe boating is a way of life.*

As always, come and chat when you have a moment. It is listening to your ideas that keeps us one of the most desirable Marinas on the lake.

FROM THE ARCHIVES

CBYC has a number of awards that are presented at the Annual Banquet each fall. Each has its own criteria and background and several are open for nominations from the membership. From the Archives will feature some of these awards.

ANNUAL CRUISING AWARD

Donated by Amherst Trophies in 1988, the Cruising Award is presented each year to the boat and crew that have participated in the most cruises that year. This is an award on which all members can set their sights, as the Cruise Chair selects the recipients based on cruise participation. Eleven different boats have received the Cruising Award, as many as three in one year; Pyewacket, Desiree and Trinco III each more than once. Bruce and Alda Fairbairn are to be commended for their support of cruising at CBYC having received this award six times. **So let's see lots of boats competing for this prestigious award!**

The early philosophy of cruising at CBYC was introducing members to new destinations and raising their comfort zone for cruising farther afield. In the early days, everyone did not have VHF so boats were often twinned. The role of the Cruise Captain was to plot the course and provide, or create, adequate charts. Many of us remember Ron McKenzie's 3 and 4 page cruise guides when the approach to Main Duck consisted of javex bottles on poles. Many cruising stories have evolved from the Night Cruises, the Circle at Prinyers, Round the Lake, the traditional OJ & Bubbly and the infamous Round the County. **Come out and be a part of the new stories, new and traditional destinations, the sumptuous happy hours, the pancake breakfasts and great BBQs.**

Judy Adams

Easter Seals Regatta

Once again KYC hosted the Easter Seals Regatta and raised \$50,000.00 for the Easter Seals children.

Four CBYC boats participated, *Offliction*, *Sabrina IV*, *Stardust IV* and *Marin III*.

Jan Wilby took the race honours on *Offliction* thanks to a strong finish and the support of club members with the bribe bucket. Jan also got "The Shaft".

Best dressed boat went to John and Janet Morrison on *Marin III*.

CRUISE REPORT

Despite interest from a few others, it was just Cabernet (Norman and Ina) and Gibwanasi (Dave) who took off for Brakey Bay, Endymion and return to CBYC.

The winds started off so light we were not sure we could even sail to Kingston but fortunately they picked up. The Thousand Islands were deserted with only two other boats on Edymion. Even at the mooring there the water was cold— less than a two minute swim. Thursday morning was rainy turning to a storm that took us back to Kingston.

The tentative Canada Day cruise was cancelled due to no one signing up. The next cruise is the July Mid-week to Henderson Bay if we can work out the rules for going to the USA.

Sign up sheets is in the clubhouse.

Remember to mark on your calendars the Civic Holiday cruise* to the Reed's and the Labour Day cruise to Waupoos!

CLUBHOUSE

Last fall when we had the clubhouse out of the water we took the opportunity to do some house cleaning and in the process discarded some of the furniture that was beyond cleaning and repair. We are now in need of some replacements. In particular the clubhouse needs one or two sofas and a coffee table. If you have some used, but still usable, furniture that you are ready to part with please contact Geoff Roulet (531-3348,

Rouletg@edu.queensu.ca). Please do not bring the furniture directly. I would like to check sizes to make sure that any item will fit and also do not want to end up with excess items.

Thanks

Geoff Roulet

RACE REPORT

SIMCOE ISLAND RACE, Saturday 26 July, all are welcome. Skippers meeting in the Clubhouse 9am. and the race will start at 10am or thereabouts. If you are not sure of the racing rules a summary sheet is available in the Clubhouse, and any of the regular racers would be pleased to advise you.

Now the regular racing piece:

Eight boats have been racing regularly in the Spring Thursday Night Series which has just finished. This is less than last year when we had Be R Guest, Black Knight, and Icarus also racing regularly. However, Dave

Wilby's Offliction has been racing regularly and Bill Visser's Whistler is joining us for the Summer Series. Many thanks to Bill for using Whistler as Committee Boat for the Spring Series. Barry Elvidge, who assisted Bill, has kindly volunteered to use his T22, Barney, as Committee Boat for us for the rest of the season. Overall Spring Series results are in order: Offliction, then Synergy and Simmac third.

Our Amherst Island Race was sailed in good winds and fair weather on Saturday, 14 June. 17 boats competed, more than we have had out that I can remember. On corrected time honours went to Signature, then Seattle Slewp, both guests from KYC and then our own Bruce Rand's Synergy.

Saturday 5 July saw our Introduction to Sailboat Racing event. 9 boats registered and attended the instructional sessions and 7 raced. Three

races were held with experienced club racers crewing on competing boats to offer advice and encouragement. Enthusiasm for racing was expressed by many who participated and we should take advantage of this by drawing them in to our Thursday Night and Saturday racing.

Our next Saturday long distance race will be the Simcoe Island Race on 26 July. But before that, Clubmembers are especially invited to take part in KYC's Main Duck overnight Race on 18/19 July.

If you are interested in racing your boat or you would like to crew in the distance races or the Thursday Night Series and would like more information contact Malcolm Stott (613-549-0842).

Malcolm Stott

SAILING SCHOOL

CBYC SAILING SCHOOL MAY SALE

I would like to thank all those who attended the CBYC sailing school sale, held at the Collins Bay Marina on the 10th of May. In all we had six tables rented and the sailing school had a donations/consignment table as well. Although the crowd was sparse, the selling action was brisk, and everyone bought or sold something. In all the sailing school cleared about \$300.00 and we certainly appreciate it. A big thank you to all who donated items to the sailing school to sell at our table and to those who left items on consignment. If anyone still has items to pick up, or money owing them, please see Al Pilon Dock C-27 (Scaramouche). Again, thanks to all who participated in this event, and we hope to do it again next year with an even bigger turn out and many more items to sell.

The Anniversary Cruise

On June 17th, Chuck & Karen Francis celebrated their 25th Wedding Anniversary. The following day they set off on a celebrational cruise. One night in Prinyer's, another in Belleville before they carried on to CFB Trenton for their first visit. Within an hour of their arrival, the tranquility of their cruise was shattered by the arrival of 3 more CBYC boats! CFB Trenton is one of Walt & Mike Miles' favourite clubs to visit, especially if there is an air show in town. Then our Commodore pulled in, doing due diligence on behalf of CBYC and checking to make sure that reciprocal privileges were being honoured! And what a convenient spot for Angela & Alistair to rendez-vous with him! Air show in town, great, Alistair might enjoy that! Next to pull onto the dock was Tamara C. It's holiday time, right? Just checking that the Quinte International Air Show advertised on the web was really going to take place!

When the club invited us to join their BBQ, who could resist such hospitality? On Saturday after a tiring day enduring showers at the air show, we couldn't resist the invitation to join another club BBQ.

After the pancake breakfast on Sunday morning our commodore decided his research on CFB Trenton was complete, so he moved on to Presquile Bay in anticipation of a cruise around the county. Chuck & Karen abandoned thoughts of their tranquil cruise and joined the flotilla going around the county.
