## Commodore's Corner

We are heading into the later part of the summer of 2021. Although the daylight hours are noticeably shorter, the temperature and humidity remind us that there is more of summer to come and more sailing and boating to be enjoyed.

I received an email from the Commodore of the Kingston Yacht Club regarding the non-authorized use of a KYC property on Wolfe Island known as Jemmetts Landing . This is an area privately owned by KYC for the exclusive use of KYC members. There have been reports that vessels bearing the CBYC logo have been making use of this anchorage. KYC has sent us a friendly reminder that Jemmetts Landing is the private property of the Kingston Yacht Club and is not available for the use of boaters who are not KYC members. I have promised the KYC commodore that I would share this message with the CBYC membership. Please make note of this information and please, even if you are invited to Jemmetts Landing by a KYC member, decline the kind invitation. I thank you in

advance for your cooperation in this matter.

As much as many of us would like to deny, in a matter of weeks the fall season will arrive and haul out and winterizing activities will begin. This is obviously a busy time for the marina and for individual vessel owners. It is also a busy time for the yacht club as we ensure that club assets are properly prepared and protected for the coming winter season. With this in mind, I would ask that club members consider if they can schedule some time in the months of September and October to participate in CBYC work parties. Although we did not operate a sailing school this season, the sailing school dinghies require inspection and cleaning as they have been stored outside during the summer. The coach boats also require inspection, cleaning and covering in advance of the colder weather and confirmation that proper winterization of the motors has been carried out. The race committee boat and the Tanzer 22 used in the keelboat familiarization course also require inspection and preparation for winter storage. In addition to these tasks, the

clubhouse requires some attention to ensure that it is properly prepared for the upcoming winter months.

If you are able to help in any way, could you please contact a member of the club executive. If you are able to participate in the pre-winter preparations related to the sailing school, you can contact Darlene Amirault, the sailing school administrator, directly. As the old saying goes, many hands make for light work. I look forward to working alongside with you as we effectively and responsibly

maintain our club's assets for the ongoing enjoyment of the club membership.

I think I would be remiss if I ended this column without a positive comment regarding the ongoing work to the marina parking and boat storage areas. The addition of the finer top gravel to the marina parking and storage areas has been a great improvement that has been remarked upon and appreciated by many CBYC members. Many thanks to the marina ownership for the completion of this project

during very trying times and in the face of many competing priorities. We very much appreciate this significant improvement!

Bill Amirault, Acting CBYC  
Commodore

## PAPA'S PIZZERIA

Dock Side Delivery Available

**(613) 389-6722**

18 Manitou Cres W, Amherstview

licensed under LLBO with seating for 100

Extensive Delivery and Dining Menu

## From the Helm

\*Reminder\* This Saturday, August 28th, we are hosting along with CBYC, KPSS, CIL and Marine Outfitters a community event day (see poster) 10am – 2pm rain or shine. We hope to see you all there!

Join CBYC Sail Past, bring your used flares, find out about and join CBYC, sign up for courtesy

vessel checks, sell or purchase gently used sail/boating equipment and please join us for hot dogs at noon!

Winter confirmations were sent out and are due August 31<sup>st</sup>! Please let us know your intentions as we have a lengthy wait list! The haul out calendar is on the website, let the office know your date as soon as possible We begin haul out September 10<sup>th</sup>.

We are planning haul out and mast desteping as was prior to haul out, please remember to wear you mask during the haul out

process, at the fuel dock and in the washrooms.

We will be demasting on days we are not hauling out and this is first come, first served (see Gerry at the mast crane for instructions on when you can bring your boat to the mast dock).
